ARRÊTÉS EN CONSEIL.

[919]

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 3e jour d'avril 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que demande a été faite au nom du village de Vanguard, dans la province de Saskatchewan, de la concession pour les fins d'un cimetière de 2 acres de terrain compris dans l'angle sud-est du quart sud-ouest de la section 22, township 11, rang 10, à l'ouest du 3e méridien, dans la dite province de Saskatchewan.

Et attendu que le ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives du Département de l'Intérieur.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la Loi des terres fédérales, de mettre en réserve et d'affecter aux fins d'un cimetière 2 acres de terrain compris dans l'angle sud-est du quart sud-ouest de la section 22, township 11, rang 10, à l'ouest du 3e méridien, et d'en autoriser la concession au village de Vanguard, dans la province de Saskatchewan, pour les dites fins.

[927]

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 3e jour d'avril 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 30e jour de mars 1917, représentant que Noah John Bailey, de la ville de Duffield, dans la province d'Alberta a demandé la permission d'acheter pour fins d'assèchement par le drainage le quart nord-est de la section 22, ainsi que tout le lot vingt-six (26), township 53, rang 3, à l'ouest du 5e méridien, dont certaines parties sont submergées par les eaux du lac Muskeg.

Le ministre représente que le terrain demandé consiste en terres fédérales inoccupées et impropres à la culture en leur condition présente, tandis que le lac n'est d'aucune utilité comme source d'approvisionnement d'eau. D'une enquête faite par l'ingénieur du département de l'Intérieur, il ressort cependant que les eaux du lac peuvent être écoulées dans la rivière Saskatchewan-nord, à une dépense raisonnable avec le résultat que ce terrain actuellement sans valeur peut être asséché, rendu propre à la culture, converti en terres à foin ou à pâturage.

Le ministre déclare de plus qu'il a été établi d'une manière suffisante que l'auteur de la demande est sujet britannique-né.

Les propriétaires et occupants des terrains contigus au rivage du lac, ainsi que le ministre des Travaux publics de la province d'Alberta, pour le gouvernement de cette province, ont donné leur consentement à l'exécution des travaux pour l'assèchement du lac.

Le ministre recommande, par conséquent, qu'on l'autorise à vendre audit Noah John Bailey le quart nord-est de la section 22, et toute la section 26, township 53, rang 3, à l'ouest du 5e méridien, comprenant une superficie totale de 798 acres, plus ou moins, sujet, *inter alia*, aux conditions suivantes qui seront déterminées dans une convention entre le ministre de l'Intérieur, représentant Sa Majesté le Roi George V, et l'acquéreur :—

1. Le terrain sera vendu au prix de \$1.00 l'acre, un cinquième payable dans les deux ans de la date de la vente et les autres quatre-cinquièmes en quatre

versements annuels égaux, à cinq pour cent d'intérêt par année.

2. L'acquéreur s'assurera tous les droits de passage nécessaires avant de commencer les travaux de construction.
3. Les travaux devront être commencés dans un délai d'un an de la date de leur autorisation et parachevés dans un délai de quatre ans ; ils seront sujets à l'inspection du ministre, ou d'un fonctionnaire compétent qu'il aura nommé à cette fin, pendant et après la construction.
4. L'acquéreur sera responsable de tous dommages causés par l'exécution de ces travaux.
5. Les travaux devront être parachevés à la satisfaction du ministre de l'Intérieur, et au moins trente pour cent de la superficie totale du terrain devra être prête pour la culture au parachèvement des travaux, et un autre cinquième pour cent de cette superficie propre à la récolte du foin et au pâturage.
6. Les lettres patentes de ce terrain, ou d'une partie quelconque du terrain, ne seront émises que lorsque les travaux seront parachevés à la satisfaction du ministre, que le prix d'achat aura été payé et que les autres conditions de la convention auront été observées.
7. Au cas où l'acquéreur ne se conformerait pas aux conditions de la convention, ou que les travaux ne seraient pas parachevés à la satisfaction du ministre, l'argent payé peut être confisqué et la convention annulée, le ministre de l'Intérieur étant le seul juge du fait que les conditions de la convention ont ou n'ont pas été observées.
8. L'acquéreur ne peut faire de cession sans le consentement écrit du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,

42-4

Greffier du Conseil privé.

[1068]

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 18e jour d'avril 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 avril 1917, représentant que la compagnie dite "Northern Fish Company, Limited," de Selkirk, Manitoba, a demandé la cession à bail, pour les fins d'une station de pêche, de la moitié nord d'une île située dans le lac Winnipeg, province du Manitoba, antérieurement connue sous le nom de Sandy Island ou Middle Sandy Island, et maintenant sous celui de Sandy Island.

Comme le terrain demandé est disponible d'après les archives du Département de l'Intérieur, le ministre demande l'autorisation en vertu des dispositions du chapitre 57 des Statuts Révisés du Canada, 1906, de louer cette île au requérant, pour les fins d'une station de pêche, pendant une période de dix ans, au loyer annuel de \$200 payable d'avance. Outre les conditions ordinaires dans les cas de ce genre, le bail contiendra une restriction qu'il ne cède le droit à l'usage exclusif du havre sur le côté ouest de l'île, qu'il peut être révoqué en tout temps après un an d'avis du ministre de l'Intérieur et que Sa Majesté se réserve tous les droits de pêche et d'occupation sur la dite île, ainsi qu'autour et dans le voisinage de cette île, et le droit d'accostage et d'amarrage des bateaux et des vaisseaux en tout point quelconque des rives de la dite île, et l'usage des dites rives en rapport avec les droits de pêche.

Le terrain demandé, qui peut être décrit plus minutieusement comme lot 2, groupe 273, île Sandy, dans le lac Winnipeg, province de Manitoba, contient 85 acres et est indiqué par des hachures noires sur le plan annexé.

Le comité agréé cette recommandation et la soumet pour approbation.

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 31e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 26 du chapitre 133, de la *Loi des falsifications*, Statuts révisés du Canada 1906, de décréter que l'arrêté en conseil du 17 octobre 1912 établissant les titres de qualité des essences aromatiques soit par ces présentes rescindé et que ce qui suit lui soit substitué.

ESSENCES AROMATIQUES.

1. Une essence aromatique destinée à aromatiser les aliments est une solution de due force, ainsi que ci-après définie des principes sapides et odorants extraits d'une plante aromatique ou de parties de telle plante, avec ou sans ses matières colorantes naturelles, et dont le nom est conforme à celui de la plante servant à sa préparation.
2. Les dissolvants ordinairement employés dans la préparation des essences aromatiques sont l'alcool éthylique, l'eau et la glycérine. Si l'on se sert d'autres dissolvants que l'alcool éthylique, l'eau et la glycérine, ces dissolvants doivent être inoffensifs et leurs noms doivent être clairement indiqués sur l'étiquette.
3. Les solutions de préparations naturelles ou synthétiques telles que la vaniline, le coumarin, la benzaldehyde, le salicylate méthylique ou autres composés sapides et odorants, ressemblant plus ou moins aux substances extraites des plantes, ou leur étant absolument identiques, si elles sont inoffensives, peuvent être vendues comme essences aromatiques pourvu qu'elles soient étiquetées de manière à indiquer clairement qu'elles ne sont pas les essences définies ci-dessus, et de préférence en employant le mot "artificiel" ou le mot "imitation". Le mot "artificiel," ou "imitation," ou autre mot équivalent paraîtra sur l'étiquette en caractères aussi gros et visibles que les caractères de tout autre mot sur l'étiquette.
4. Si une essence est fortifiée en y ajoutant les préparations naturelles ou synthétiques mentionnées à l'article précédent, le fait qu'elles y ont été ajoutées sera clairement indiqué sur l'étiquette, ou on emploiera le mot "composé" ou le mot "mélange" pour l'indiquer.
- Le mot "composé" ou "mélange" paraîtra sur l'étiquette en caractères aussi gros et visibles que les caractères de tout autre mot sur l'étiquette.
5. L'extrait de citron est l'essence aromatique tirée de l'écorce de citron, ou de l'huile de citron, et contient en même temps qu'une quantité plus ou moins grande des terpènes de l'huile de citron, au moins deux dixièmes (0.2) d'un pour cent de citral dérivé de l'huile de citron.
6. L'extrait, terpénique de citron est l'essence aromatique préparée ainsi que décrit ci-dessus, et ne contient pas plus que cinq (5) pour cent d'huile de citron et pas moins que deux dixième (0.2) d'un pour cent de citral dérivé de l'huile de citron.
7. L'extrait de vanille est l'essence aromatique tirée de la gousse de la vanille, avec ou sans sucre ou glycérine, et contient dans cent centimètres cubes les matières solubles d'au moins cinq (5) grammes de la gousse de la vanille (le fruit sec de la *Vanilla planifolia*).

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 21 mars 1917, représentant que Allen V. Mackie a obtenu l'inscription de homestead pour le quart nord-ouest de la section 36, township 45, rang 25, à l'ouest du 3e méridien, dans la province de la Saskatchewan. Ce colon a résidé sur ce terrain pendant deux des périodes prescrites par la loi, qu'il a accompli ses obligations quant à la culture et a aussi construit une maison sur le terrain.

Le ministre ajoute qu'il a été démontré que M. Mackie a souffert d'infirmités qui lui défendent le séjour dans la Saskatchewan, à cause des conditions climatiques.

En vue des faits précités et du fait que les conditions d'établissement prescrites par la *Loi des terres fédérales* ont été observées, sauf une période de résidence, le ministre demande l'autorisation, en vertu de l'article 76 de la loi, chapitre 20, 7-8 Edouard VII, de vendre à M. Mackie, au prix de \$1 l'acre, le quart nord-ouest de la section 36, township 45, rang 25, à l'ouest du 3e méridien, et de lui céder la patente de ce terrain dès qu'il aura fait les paiements requis.

Le comité agréé cette recommandation et la soumet pour approbation.

Jeudi, le 29e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 mars 1917, se rapportant à un arrêté en conseil daté le 4 mai 1912 (C.P. 967) autorisant la vente de certains terrains à la compagnie dite "Western Canada Power Company" pour le développement de la force motrice, lesquels terrains seront indiqués dans l'arrêté en conseil et l'annexe qui l'accompagne.

Ces terrains ont été divisés en deux classes : premièrement, ceux qui étaient requis pour l'emplacement des usines et pour lesquels la compagnie a payé dix dollars (\$10) l'acre, et deuxièmement les terrains requis pour submersion dont la vente fut autorisée à cinq dollars (\$5) l'acre.

Le ministre ajoute que la vente des terrains de la première classe ci-dessus mentionnée, savoir, ceux qui étaient requis pour l'emplacement des usines, a été consommée, le titre en ayant été transféré à la compagnie ; que la compagnie désire maintenant régler la question des terrains submergés et que, sous ce rapport, la compagnie déclare qu'aux fins pour lesquelles ces terrains sont requis il n'est pas essentiel que la Couronne accorde un titre absolu, mais qu'une certaine convention pourrait être passée qui donnerait à la compagnie le droit de submerger les terrains situés en aval de la ligne de submersion, ainsi que déterminé par un arpentage effectué d'après les instructions de l'arpenteur général.

Le ministre soumet que puisque les droits que demande la compagnie ont été réduits aux seuls privilèges de submersion, tous les droits à la plage et autres droits au terrain ayant été réservés à la Couronne pour être administrés dans l'intérêt public, il semblerait juste qu'une autre convention soit faite concernant la concession de ces terrains entre la compagnie et le département.

Le ministre ajoute que dans la liste des terrains, dont la vente à la compagnie à cinq dollars (\$5) l'acre était autorisée par l'arrêté en conseil du 4 mai 1912, étaient compris trois terrains ayant une superficie totale de 319.9 acres, lesquels terrains étaient occupés par deux

homesteaders et un squatter, que la compagnie a été obligée de dédommager pour leurs intérêts dans ces terrains, les cessions ayant coûté à la compagnie une somme de \$6,700, et que la compagnie demande maintenant qu'on donne à ce fait considération spéciale.

Le ministre ajoute qu'en vue des sommes considérables que ces terrains ont déjà coûté et que, considérant que la plus grande partie de ces terrains sont maintenant submergés et improductifs, il semble juste que la compagnie reçoive cette considération spéciale quant à la somme qui doit être payée pour ces terrains,—

Par conséquent, le ministre recommande qu'il soit autorisé à émettre en faveur de la compagnie dite "Western Canada Power Company" une autorisation de se servir, pour la submersion, des terrains situés en aval de la ligne de contour ainsi que déterminée par S. S. McDiarmid, arpenteur des terres fédérales, lequel contour est indiqué sur le plan numéro 18206, déposé aux archives de la branche des arpentages du Département de l'Intérieur, et que la compagnie paye pour ces terrains submergés indiqués sur ledit plan un loyer de dix cents l'acre par année, cette autorisation devant rester en pleine vigueur tant que dureront les droits de la compagnie aux eaux de la rivière Stave et du lac Stave pour le développement de la force motrice, la dite autorisation, toutefois, ne devant être émise que lorsque la compagnie aura déposé au Département de l'Intérieur l'acte de consentement des propriétaires d'exploitations forestières qui y seront affectées.

Le ministre recommande de plus que l'autorisation soit accordée de vendre à la compagnie dite "Western Canada Power Company" la moitié ouest de la section 31, township 18, à l'est du méridien de la côte à un dollar (\$1) l'acre, ces terrains étant ceux pour lesquels la compagnie a dédommagé les homesteaders et squat- ters qui les occupaient autrefois; ce terrain a une superficie de 319.9 acres et est indiqué sur le plan du quart nord-ouest du township 18, à l'est du méridien de la côte, plan approuvé et confirmé par l'arpenteur général le 19 mars 1912.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que le Règlement numéro 39 des Commissaires du havre de Hamilton, approuvé le 6e jour de mars 1917, a été soumis pour approbation conformément aux dispositions du paragraphe 2 de l'article 20, 2 George V, chapitre 98 de la Loi constituant en corporation les Commissaires du havre de Hamilton.

Et attendu que le fonctionnaire du Département de la Marine et des Pêcheries qui a le contrôle des relations entre ce département et les diverses commissions de havre au Canada fait rapport qu'il a examiné ledit règlement, et que les dispositions nécessaires de ladite loi concernant la promulgation de règlements ont été observées, qu'un règlement identique a déjà été soumis au Département de la Justice pour en établir la légalité et que ce règlement a été déclaré légal, et qu'il ne trouve aucune objection aux dispositions du présent règlement et en recommande l'approbation.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'approuver le règlement suivant, et ce règlement est par ces présentes approuvé en conséquence :

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 mars 1917, représentant que le conseil de la municipalité rurale de Bright Sand, No 529, a demandé la permission d'acheter deux acres de terrain pour les fins d'un cimetière dans le quart nord-ouest de la section 29, township 53, rang 19, à l'ouest du 3e méridien.

Comme ce quart de section appartient aux terres des écoles, le Département de l'Intérieur n'a nul pouvoir d'en vendre une partie quelconque pour les fins mentionnées d'aucune autre manière qu'à l'enchère publique, et le conseil de la municipalité a été avisé à cet effet.

Le conseil de la municipalité a représenté au ministre qu'il a un besoin urgent de ce terrain pour les fins mentionnées, et il demande qu'il soit offert en vente le plus tôt possible.

En vue du fait que la municipalité a un besoin urgent de ce terrain pour un cimetière, le ministre en a fait faire l'inspection afin de fixer la mise à prix pour vente à l'enchère dès que sera obtenu le consentement de Son Excellence.

L'inspecteur évalue le terrain à \$7 l'acre et le ministre recommande par conséquent, en vue de l'urgence du cas, qu'il soit autorisé à vendre à l'enchère publique le terrain en question soit partie du quart nord-ouest de la section 29, township 53, rang 19, à l'ouest du 3e méridien, à une mise à prix de \$7 l'acre, la vente devant se faire au bureau de l'agent des terres fédérales, à Battleford, à une date qui sera fixée plus tard et aux conditions prescrites par la loi des terres fédérales pour la vente des terres des écoles.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que le Ministre des Finances fait rapport
que certaines conditions résultant de la guerre
affectent sérieusement les prix du blé au Canada, par-
ticulièrement pour les qualités inférieures ;

Et attendu qu'en temps normal il existe une forte
demande de blé de toutes qualités pour exportation à
la Grande-Bretagne et au Continent pour les fins de
meunerie ;

Et attendu que cette demande a depuis quelque
temps entièrement cessé à cause du manque de moyens
de transport océanique dû aux attaques des sous-marins,
presque tout le tonnage disponible étant requis pour le
transport du grain des meilleures qualités et de la fa-
rine qui en est faite, achetés au Canada et aux Etats-
Unis par le gouvernement anglais et les gouvernements
des pays alliés pour leurs besoins particuliers ;

Et attendu que les enquêtes récemment faites par
une grande quantité de blé canadien est exporté aux
marchés des Etats-Unis pour la vente, nonobstant les
droits de douane qu'impose le tarif des Etats-Unis ;

Et attendu que les enquêtes récemment faites par
la Commission des grains du Canada et autres ren-
seignements provenant de sources authentiques ont
convaincu le Ministre des Finances que les prix
courants du blé au Canada, particulièrement pour
les qualités inférieures, sont, pour les causes précitées,
beaucoup moins élevés qu'aux Etats-Unis. De fait,
il y a raison de croire qu'on profite de la situation pour
maintenir les prix de ces blés à un taux beaucoup
moins élevé que ne le justifient les conditions du
marché, et il appert des renseignements recueillis qu'il
reste encore à vendre une grande quantité de la
récolte canadienne de l'an dernier ;

Et attendu qu'au moment où se fait un appel spécial
pour l'augmentation de la production agricole afin
d'approvisionner de céréales et de denrées la Grande-
Bretagne et ses alliés, au nombre desquels comptent
aujourd'hui les Etats-Unis, il est désirable que le culti-
vateur canadien sache qu'il obtiendra les plus hauts
prix du marché pour les produits de son industrie ;

Et attendu que le Ministre des Finances est d'avis
que dans les circonstances il est opportun de prendre
telles mesures qui donneront au blé du Canada libre
accès aux marchés des Etats-Unis au lieu des marchés
de la Grande-Bretagne et du continent européen qui
lui étaient ouverts dans les conditions existantes, et,
dans ce but, il attire l'attention de Son Excellence
sur certaines dispositions du tarif des douanes des
Etats-Unis. D'après l'article 644 de ce tarif, le blé, la
farine de froment, la semoule et les autres produits du
blé sont admis francs de droits lorsqu'ils proviennent
des pays qui n'imposent pas de droits de douane sur le
blé, la farine de froment ou la semoule importés aux
Etats-Unis ; autrement le droit sur le blé est de dix
cents le boisseau, de quarante-cinq cents le baril sur la
farine de froment, et de dix pour cent *ad valorem* sur
la semoule et autres produits du blé ;

Et attendu que si le Canada plaçait le blé, la farine
de froment et la semoule sur la liste de libre échange,
ces produits atteindraient francs de droits les marchés
des Etats-Unis ;

Et attendu que pour les raisons précitées il est de
l'intérêt national d'obtenir libre accès au blé du Cana-
da aux marchés des Etats-Unis,—

Par conséquent, il plaît à Son Excellence le Gouver-
neur général en conseil, en vertu de l'autorité que lui
confère la *Loi des mesures de guerre, 1914*, article 6, de
décréter par ces présentes que le blé, la farine de fro-
ment et la semoule soient placés sur la liste des articles
qui peuvent être importés en franchise au Canada.

RODOLPHE BOUDREAU,

Greffier du Conseil privé.

RÈGLEMENTS CONCERNANT LA TUBERCULOSE.

1. Le Ministère de l'Agriculture prêtera son concours aux villes d'une population d'au moins cinq mille personnes qui, d'après la loi de leur province, pourront se conformer aux présents règlements.

2. Le gouvernement fédéral aidera toute ville qui aura signifié par écrit au directeur général vétérinaire son désir d'obtenir le concours du Ministère de l'Agriculture, pour enrayer la tuberculose bovine parmi les vaches qui l'alimentent en lait et en crème. À cette fin, la dite ville devra spécifier dans sa demande qu'ayant été dûment autorisée par la loi, elle s'engage à observer les règlements suivants :

(a) Les laiteries qui vendent du lait ou de la crème doivent avoir une licence.

(b) Pour obtenir cette licence, la laiterie doit se conformer à certaines conditions.

(c) Ces conditions sont les suivantes : l'étable doit avoir un bon cube d'air et deux pieds carrés au moins de fenêtre vitrée par vache ; elle doit être bien aérée, bien égouttée, être tenue proprement et dans des conditions hygiéniques.

(d) Le lait provenant d'un troupeau ayant passé la première épreuve depuis plus de deux ans ne pourra être vendu à moins qu'un inspecteur vétérinaire ne certifie que ce troupeau est en bonne santé.

(e) Il sera nommé un ou plusieurs inspecteurs chargés de veiller à l'observation des règlements ci-dessus et de s'assurer que les vaches sont tenues propres, et reçoivent une nourriture et des soins convenables.

3. Dès qu'une municipalité lui signifie son désir d'obtenir l'assistance du Ministère de l'Agriculture comme il est prévu ci-dessus, le directeur général vétérinaire doit immédiatement faire une enquête, et, s'il trouve que les conditions ci-dessus sont observées, il envoie des inspecteurs vétérinaires examiner les dites vaches.

4. Les inspecteurs vétérinaires feront subir aux vaches l'épreuve de la tuberculine et les examineront minutieusement pour déterminer si elles sont saines ou non. Les taureaux de race laitière seront assimilés aux vaches pour l'inspection et les mesures qui s'en suivent.

5. Après l'examen et l'épreuve, les vaches malades et celles qui auront réagi seront traitées de la manière suivante :

(a) Les vaches que l'inspecteur jugera atteintes de tuberculose ouverte et qui répandent les germes de la maladie par leur lait, leurs excréments ou leur bave

seront envoyées à un abattoir soumis à l'inspection, pour y être abattues aussitôt que possible. S'il n'y a pas d'abattoir à distance convenable, elle seront abattues sur place, en présence de l'inspecteur qui prescrira ce qu'il faut en faire.

(b) Les vaches qui auront réagi à l'épreuve devront être séparées aussi complètement que possible de celles qui n'auront pas réagi (les animaux suspects seront classés comme réacteurs), et leur propriétaire aura le choix d'en disposer de l'une des manières suivantes :

(1) Les abattre immédiatement.

(2) Les abattre après les avoir tarées et engraisées pour la boucherie.

(3) Les garder dans le troupeau et ne vendre ni lait ni crème sans que ces produits aient été pasteurisés.

6. Le propriétaire des animaux abattus aura droit à une indemnité qui sera calculée d'après les règlements suivants, savoir :

(1) La moitié de la valeur estimée de la vache si elle est abattue pour cause de tuberculose ouverte.

(2) Un tiers de la valeur estimée de la vache si elle est abattue à la demande du propriétaire après avoir réagi à l'épreuve.

(3) L'évaluation sera faite par l'inspecteur et ne devra pas excéder la valeur maximum prévue pour les bovins à l'article 6 de la loi.

(7) Le cadavre de l'animal abattu en vertu de ces règlements appartient au propriétaire, qui doit en disposer de la façon prescrite par l'inspecteur vétérinaire.

8. Pour avoir droit à l'indemnité, le propriétaire devra contribuer, autant que possible, à l'extirpation de la maladie, en suivant les instructions de l'inspecteur concernant la désinfection. Le Ministre appréciera si ces conditions sont remplies.

9. Il est défendu de vendre, à l'état nature, du lait ou de la crème provenant d'un troupeau contenant des vaches qui ont réagi à l'épreuve, à moins que ce lait ou cette crème ne soient vendus à une compagnie laitière ou à un commerçant ayant les appareils nécessaires pour les pasteuriser scientifiquement. La pasteurisation scientifique consiste à chauffer le lait ou la crème jusqu'à une température de 145 degrés F. et à les maintenir à cette température pendant au moins vingt minutes. Les inspecteurs de la municipalité sont chargés de veiller à l'exécution de ce règlement. Tous les établissements à pasteuriser doivent faire usage de thermomètres auto-enregistreurs.

10. Les troupeaux seront examinés et soumis à l'épreuve chaque fois que le directeur général vétérinaire le jugera nécessaire, et ces troupeaux seront traités de la manière susdite après chaque examen.

11. Les vaches achetées par le propriétaire d'un troupeau en surveillance devront être soumises à l'épreuve et ne seront placées avec les vaches saines qu'après avoir subi l'épreuve avec succès.

12. Quand deux épreuves successives n'auront pas révélé, dans un troupeau, la présence de vaches réagissant à l'épreuve, ce troupeau sera déclaré sain et l'inspecteur vétérinaire délivrera, sur demande, un certificat à cet effet.

13. Pour faciliter l'application de ces règlements, l'officier médical de santé d'une ville, qui a demandé l'aide du gouvernement fédéral en vertu de ces règlements, peut d'accord avec le directeur général vétérinaire, classer toutes les laiteries qui alimentent cette municipalité en deux catégories ; savoir :

(a) laiteries de lait en nature ;

(b) laiteries de lait pasteurisé.

Les laiteries de la catégorie (a) tomberont alors sous les articles 3, 4, 5, 6, 7, 8 ; les laiteries de la catégorie (b) ne sont pas soumises à l'épreuve de la tuberculine et doivent être traitées en vertu de l'article 9, de la même manière que les troupeaux qui contiennent des bêtes réagissantes.

14. Lorsque le directeur général vétérinaire juge que les progrès de l'extirpation de la tuberculose dans les troupeaux alimentant une municipalité ont atteint un point satisfaisant, il peut aviser l'officier médical de santé que le Ministère de l'Agriculture a terminé son travail dans cette municipalité, et la municipalité devra, par la suite, maintenir l'état de santé des troupeaux dans le même état.

15. Sont abrogés par les présentes, les règlements touchant la tuberculose, approuvés par arrêté en conseil, en date du 18 mai 1914.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumise un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que le 5 juillet 1911 James Wilson obtint l'inscription de homestead du quart nord-est de la section 35, township 19, rang 11, à l'ouest du méridien principal, dans la province du Manitoba.

Le ministre déclare que les faits soumis indiqueraient que cet inscrit a résidé sur ce quart de section du 15 octobre 1914 jusqu'au printemps de 1915, et a clôturé tout le terrain, y a érigé une maison et une étable, et fait 17 acres de défoncement qu'il a ensemencés.

M. Wilson a présenté un certificat médical, dont copie ci-contre, établissant qu'il est tout à fait impropre à remplir ses obligations de résidence à venir ;

Vu la teneur de ce certificat, le Ministre recommande qu'on l'autorise, sous l'empire du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, à relever M. Wilson de ses obligations de résidence à venir, et que patente gratuite soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire qu'il a rempli ses autres obligations.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 8 avril 1914, il a été accordé à la municipalité rurale de Lakeview n° 454, dans la province d'Alberta, des lettres patentes, en date du 28 juin 1915, pour huit acres de terrain compris dans le quart fractionnaire sud-ouest de la section 30, township 47, rang 11, à l'ouest du 4e méridien, pour les fins d'un cimetière.

Et attendu que ces huit acres de terrain n'ont pas été trouvés satisfaisants pour les fins d'un cimetière et que la dite municipalité rurale les a remis à la Couronne pour le Canada et a demandé en échange huit acres compris dans une lisière de terrain de 4 chaînes de largeur et de 20 chaînes et 8 chaînons de longueur le long de la borne sud du dit quart de section fractionnaire, mesuré à partir de l'angle sud-est.

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de sanctionner l'échange des terrains en question et d'autoriser la concession des dits huit acres maintenant demandés à la municipalité rurale de Lakeview n° 454, dans la province d'Alberta, pour les fins d'un cimetière.

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain demandé étant disponible d'après les archives de son département,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter le terrain ci-haut décrit aux fins d'un cimetière et d'en autoriser la concession au village de Major, dans la province de la Saskatchewan, pour les dites fins.

Mercredi, le 18e jour d'avril 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL
EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que M. D. Dennill a obtenu, le 29 août 1907, l'inscription de homestead pour le quart sud-est de la section 2, township 51, rang 4, à l'ouest du 5e méridien, et qu'il a accompli toutes les obligations prescrites par la *Loi des terres fédérales* pour lui donner droit à sa patente. On découvrit ensuite que 24-28 acres de ce quart de section avaient déjà été concédés à l'honorable G. B. Rouleau et M. Thomas Henderson dans une vente de terrains miniers qui comprenait aussi les droits de surface.

Dès que le département fut informé de ce fait, il offrit à M. Dennill une égale étendue de terrain voisine de son homestead au sud, mais il refusa de consentir à cette proposition parce que le terrain était densément boisé et était séparé de son homestead par une réserve de chemin.

M. Dennill évaluait les 24-28 acres susdits à \$10 l'acre, estimation qui a été confirmée par un inspecteur de homestead. M. Dennill consentit finalement à accepter, au lieu de ce terrain, la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien. Ce terrain fut évalué par un inspecteur de homestead à \$3 l'acre, et par conséquent, et à peu près la même valeur que les 24-28 acres soustraits de l'inscription.

En accordant la patente gratuite des subdivisions légales, ci-dessus mentionnées on met obstacle à la vente du reste du quart nord-est de la section 9, ainsi que du quart nord-ouest de la section 9 au nord et à l'est de la rivière, et il a par conséquent été décidé de se rendre à la demande de M. Dennill, à condition qu'il achète le reste du quart nord-est de la section 9 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'est de la rivière, dans le township 51, rang 3, à l'ouest du 5e méridien, contenant 64.1 acres plus ou moins, conformément à l'arpentage, à l'évaluation faite par l'inspecteur des homesteads, soit au prix de \$3.00 l'acre.

M. Dennill a signifié son consentement à l'arrangement suggéré par le Département de l'Intérieur et a fait paiement complet des 64.1 acres susdits.

Par conséquent, en vue des faits précités, et conformément aux dispositions de l'article 76 du chapitre 20, 7-8 Edouard VII, que M. Dennill reçoive la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien, en compensation pour les 24-28 acres de son homestead qui avaient été autrement concédés, et que lui soit aussi accordée la patente du terrain qu'il a acheté, savoir, les subdivisions légales 10 et 15 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'ouest de la rivière Saskatchewan, dans le township 51, rang 3, à l'ouest du 5e méridien.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

ATTENDU que par un arrêté en conseil du 11 septembre 1894, promulgué sous l'empire de l'article 9, chapitre 107 de la *Loi des falsifications*, 1886, certains types de qualité ont été établis pour le thé.

Et attendu qu'à ces types de qualité d'autres ont été substitués par un arrêté en conseil du 11 septembre 1916.

Et attendu qu'avant la publication de la circulaire officielle donnant effet au type modifié l'analyste en chef, à titre de président de la Commission consultative des substances alimentaires, a recommandé que la question reste en suspens afin de permettre une étude plus approfondie du sujet. Cette étude est maintenant complète, et il en résulte que d'autres modifications sont nécessaires.

Par conséquent, il plaît à Son Excellence en conseil de décréter par ces présentes que soient annulés les types de qualité du thé établis par l'arrêté en conseil du 11 avril 1916, et qu'en vertu des dispositions de l'article 26 de la *Loi des falsifications*, Statuts révisés de 1906, les types de qualité suivants leur soient substitués, savoir :

Le thé provient des feuilles et des bourgeons de diverses espèces de la tribu des caméliacées, préparés d'après les procédés ordinaires du commerce, et est conforme au nom qu'il porte quant à la variété et l'endroit de production. Le thé doit remplir les conditions suivantes :—

Caractères botaniques.—La structure de la feuille est celle de l'espèce camélia.

Cendre totale.—La teneur en cendre ne sera pas moins que quatre pour cent ni plus que sept pour cent du thé sec. (Thé sec signifie le thé séché au poids constant à 100°C.

Cendre soluble dans l'eau.—Ne sera pas moins que trois pour cent du poids du thé sec.

Extractif.—La matière soluble dans l'eau, dans les conditions ci-dessous décrites, ne sera pas moins que 33 pour 100 dans les thés verts, ni moins que 30 pour 100 dans les thés noirs ; ces pourcentages sont calculés sur les thés secs.

CONDITIONS POUR DÉTERMINER L'EXTRACTIF.

Un bon échantillon du thé sec est moulu assez fin pour passer à travers un sas dont les mailles ont un huitième de pouce.

2.5 grammes du thé moulu sont additionnés de 225cc d'eau froide distillée, dans une bouteille en verre d'une capacité d'environ 500cc et munie d'un bouchon et d'un tube en verre d'environ 25 pouces de longueur et ½ pouce de diamètre, ou d'un condenseur à reflux. La bouteille est rapidement chauffée jusqu'à ce que l'eau soit en ébullition, et l'ébullition doit se continuer pendant une heure.

Tout le contenu est transvasé dans une bouteille d'une capacité de 250cc et amenée à point à environ 70°C. Après filtration à l'état chaud, 50cc est évaporé jusqu'à l'état sec, et pesé. Le poids du résidu multiplié par 200 est l'extractif pour cent.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- | | |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel.... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. (a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revistées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en paver la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

AVIS AUX ACTIONNAIRES.

LA date de l'assemblée générale annuelle des actionnaires de la compagnie ayant été changée par règlement du premier vendredi d'octobre au premier vendredi de mai, afin de se conformer à l'usage qui est maintenant généralement adopté aux Etats-Unis, sous l'empire des règlements de la Commission du commerce entre Etats, faisant correspondre l'année financière des compagnies de chemin de fer avec l'année de calendrier, et qui sera probablement rendu applicable aux chemins de fer canadiens par une modification à la *Loi des chemins de fer du Canada*, la trente-sixième assemblée générale annuelle des actionnaires pour l'élection de directeurs pour remplacer les directeurs sortant de charge et pour l'expédition des affaires généralement, aura lieu le deuxième jour de mai prochain, au bureau principal de la compagnie, à Montréal, à midi. Un exposé de la situation financière de la compagnie et les résultats de ses opérations durant le semestre finissant le 31 décembre 1916, seront soumis à l'approbation des actionnaires.

ASSEMBLÉE SPÉCIALE.

L'assemblée deviendra spéciale dans le but d'étudier et, si la chose est jugée opportune, d'autoriser l'émission, après en avoir obtenu l'autorisation nécessaire par statut, d'obligations fiduciaires collatérales de la compagnie afin d'acquérir des valeurs de la compagnie et des compagnies dont la compagnie loue les voies ferrées ou qu'elle exploite en vertu de conventions, lesquelles voies ferrées le gouvernement du Royaume-Uni de la Grande-Bretagne et d'Irlande propose d'acquérir par coercition en vertu de règlements adoptés sous l'empire des dispositions de la loi dite "Defence of the Realm (Consolidation) Act, 1914," et des lois modifiant la dite loi, et si cette émission est autorisée, sanctionner et approuver la convention entre le gouvernement et la compagnie et autoriser et approuver une formule d'acte de fiducie devant être donné pour garantir le paiement de ces obligations fiduciaires collatérales, le tout tel que détaillé plus au long dans une circulaire qui sera adressée aux actionnaires avant la date de l'assemblée

Les livres de transfert des actions ordinaires seront fermés à Montréal, New-York et Londres, à 3 heures p.m. mardi, le dixième jour d'avril. Les livres d'actions-priorité seront fermés à Londres en même temps.

Tous les livres seront rouverts jeudi, le troisième jour de mai.

ORDERS IN COUNCIL.

[982]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 10th day of April, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 26th March, 1917, from the Minister of the Interior, submitting that the Canadian Pacific Railway Company has made application for right-of-way for a pipe line for a water supply at Lytton, B.C., through part of the S. E. ¼ of Section 1, Township 15, Range 27, west of the Sixth Meridian, part of the S. W. ¼ Section 6, Township 15, Range 26, west of the Sixth Meridian and part of the N. W. ¼ Section 36, Township 14, Range 27, west of the Sixth Meridian, containing a total area of 1.65 acres, as shown on a plan attached.

The Minister states that the right-of-way throughout part of its length follows the Northeasterly boundary of Lytton Indian Reserve No. 17, and at three points it crosses into and runs through the land included in the Reserve. The Department of Indian Affairs has undertaken to grant the Company a free right-of-way through this land.

The Minister further states that the agent of Dominion lands at Kamloops reported on the 21st June, 1916, that he is aware of no particular reason for refusing to entertain the application of the company, and he recommended that the area applied for be sold at the rate of \$10 per acre.

The Minister observes that the land applied for is available and has been surveyed. The company has filed with the Department of the Interior a certified copy of a grant of water rights at this point in its favour.

The Minister recommends that the Canadian Pacific Railway Company be allowed to purchase the above mentioned lands at \$10 per acre.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

[20/1083]

AT THE GOVERNMENT HOUSE AT OTTAWA

Wednesday the 18th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS by Order in Council of the 11th September, 1894, issued under authority of Section 9, Chapter 107 of the Adulteration Act, 1886, certain Standards were established for Tea ;

And whereas these Standards were cancelled and others substituted in lieu thereof by Order in Council of the 11th September, 1916 ;

And whereas before issue of the official Circular putting the amended Standards into effect, the Chief Analyst, as Chairman of the Advisory Board on Food Standards, recommended that the matter be left in abeyance in order to permit of a more exhaustive investigation and study of the subject, which has now been completed, with the result that further modification is found necessary.

Therefore His Excellency in Council is pleased to Order and it is hereby ordered that the Standards for Tea as established by the Order in Council of the 11th April, 1916, be cancelled, and that under the provisions of Section 26 of the Adulteration Act, R.S. 1906, the following be substituted in lieu thereof, viz :—

Tea, is the leaves and buds of various species of the genus *Camellia*, prepared by the usual trade processes, and conforms in variety and place of production to the name it bears. Tea is required to fulfil the following requirements :—

Botanical characters. The structure of the leaf is that of *Camellia* species.

Total Ash : shall not be less than 4 per cent nor more than 7 per cent of the dry tea (Dry tea, means tea dried to constant weight at 100° C.)

Water Soluble Ash : shall not be less than 3 per cent of the weight of the dry tea.

Extractive : the matter soluble in water, under the conditions described below, shall not be less than 33 per cent in green teas, nor less than 30 per cent in black teas, these percentages being calculated upon the dry tea.

Conditions for determining extractive.

A fair sample of the dry tea shall be powdered so as to pass through a sieve of $\frac{1}{8}$ inch mesh.

2.5 grammes of the powdered tea are treated with 225cc. cold, distilled water, in a glass flask of about 500cc. capacity, and fitted with a cork, and glass tube about 25 in. long, and $\frac{1}{2}$ inch diameter, or with a reflux condenser. The flask is rapidly heated until the water boils, and boiling is continued for one hour.

The whole contents are transferred to a 250cc. flask, and made up to the mark at about 70°C. A filtrate of 50cc. (filtered hot) is evaporated to dryness, and weighed. The weight of the residue multiplied by 200 is extractive per cent.

Clerk of the Privy Council.

[The following Order in Council was first published in an *Extra of the CANADA GAZETTE*, dated the 17th April, 1917.]

[1062]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 16th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Minister of Finance reports that certain conditions arising out of the war seriously affect prices obtainable in Canada for wheat, especially of the lower grades ;

And whereas in normal times there exists a good commercial export demand for milling purposes from Great Britain and the Continent for wheat of all grades ;

And whereas this demand has for some time past almost entirely ceased on account of shortage of ocean shipping (due to submarine warfare), practically all available tonnage being required to transport grain of the higher grades and flour made therefrom, purchased in Canada and the United States by the British and Allied Governments for their respective needs ;

And whereas in consequence of this condition much Canadian wheat is being exported to the United States market for sale there, notwithstanding the customs duty payable thereon under the provisions of the United States tariff ;

And whereas from inquiries recently made from the Board of Grain Commissioners for Canada and other authentic sources the Minister of Finance is satisfied that the prices now prevailing in Canada for wheat, particularly of the lower grades, are, owing to the cause above mentioned, much lower than the prices obtaining therefor in the United States ; in fact there are strong grounds for the belief that advantage is being taken of the situation to maintain prices of the said grades at figures lower than are warranted by general market conditions, and from information at hand it appears that there still remains a large amount of last year's Canadian crop unmarketed ;

And whereas it is desirable at a time when a special appeal is being made for increased agricultural production to supply grain and foodstuffs to Great Britain and her Allies, which now include the United States of America, that the Canadian farmer should feel that he will obtain the best market prices obtainable for the product of his industry ;

And whereas the Minister of Finance is of opinion that it is in the circumstances advisable that such action should be taken which will give to Canadian wheat free access to the markets of the United States in lieu of the commercial markets in Great Britain and on the European Continent formerly available under the conditions then existing, and, with this object in view, he directs the attention of His Excellency to certain provisions of the Customs tariff of the United States. By item 644 thereof, wheat, wheat flour, semolina and other wheat products, shall be entered free of duty from countries which do not impose a duty on wheat or wheat flour or semolina imported from the United States ; otherwise the duty upon wheat is fixed at ten cents per bushel and upon wheat flour at forty-five cents per barrel and upon semolina and other products of wheat ten per centum ad valorem ;

And whereas if Canada should place wheat, wheat flour and semolina upon the free list our wheat and wheat products would gain free entry to the markets of the United States ;

And whereas it is desirable in the national interest that, for the reasons stated above, free access should be obtained to the markets of the United States for Canada's wheat,—

Therefore His Excellency the Governor General in Council, under the authority of The War Measures Act, 1914, section 6, is pleased to order and it is hereby ordered that wheat, wheat flour and semolina be transferred to the list of goods which may be imported into Canada free of duty of Customs.

Clerk of the Privy Council.

WHEREAS application has been made on behalf of the village of Vanguard, in the Province of Saskatchewan, for a grant for cemetery purposes, of two acres of land comprised in the southeast corner of the southwest quarter of Section 22, Township 11, Range 10, west 3rd Meridian, in the said Province of Saskatchewan ;

And whereas the Minister of the Interior is of opinion that the application should receive favourable consideration, and the land in question is available according to the records of the Department of the Interior ;

Therefore His Excellency the Governor General in Council is pleased, under the provisions of section 76 of the Dominion Lands Act, to set apart and appropriate for cemetery purposes two acres of land comprised in the southeast corner of the southwest quarter of Section 22, Township 11, Range 10, west 3rd Meridian, and to authorize a grant thereof to the village of Vanguard, in the Province of Saskatchewan, for the said purposes.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

42-4

[927]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 3rd day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 30th March, 1917, from the Minister of the Interior, submitting that an application has been made by Noah John Bailey, of the town of Duffield, in the province of Alberta, for permission to purchase for reclamation by drainage the northeast quarter of section twenty-two (22), and all of section twenty-six (26), in township fifty-three (53), range three (3), west of the fifth (5th) meridian, portions of which are now covered by the waters of Muskeg lake.

The Minister states that the land applied for in vacant Dominion land and is unfit for agricultural purposes in its present condition and the lake serves no useful purpose as a source of water supply, but investigations made by an Engineer of the Department of the Interior have shown that the waters of the lake can be drained into the North Saskatchewan river at reasonable cost and that, as a result of such drainage, the now worthless land can be reclaimed and made suitable for cultivation or for the growth of hay or for pasturage.

The Minister further states that satisfactory evidence has been submitted that the applicant is a British subject by birth :

That the consent has been obtained of the owners or occupants of the land abutting upon the lake, and the Minister of Public Works of the Province of Alberta, has approved, on behalf of the Government of that province, of the works necessary for the drainage of the lake.

The Minister, therefore, recommends that authority be given for the sale of the northeast quarter of Section twenty-two (22), and all of Section twenty-six (26), Township fifty-three (53), Range three (3), west of the Fifth Meridian, comprising a total area of seven hundred and ninety-eight (798) acres, more or less, to the said Noah John Bailey, subject, *inter alia*, to the following terms and conditions, to be more particularly set forth in an agreement to be executed between the Minister of the Interior, as representing His Majesty King George the Fifth, and the purchaser :—

1. The land shall be sold at the rate of one dollar per acre, one-fifth payable within two years of the

date of sale and the remaining four-fifths in four equal annual instalments, with interest at five per centum per annum.

2. The purchaser shall acquire all necessary right of way before undertaking the construction of works.

4. The purchaser shall assume, and be responsible for, all damage caused by the construction of the said works.
5. The works shall be completed to the satisfaction of the Minister of the Interior, and not less than thirty per cent of the whole area shall upon completion be suitable for tillage, and an additional fifty per cent shall be suitable for the growing of hay and for pasturage.
6. That letters patent shall not be issued for the land, or for any portion thereof, until the works have been completed to the satisfaction of the Minister and until the purchase money shall have been paid in full and all other conditions of the agreement shall have been complied with.
7. In the event of the purchaser failing to comply with the terms of the agreement, or to complete the works to the satisfaction of the Minister, any portion of the purchase money then paid may be declared forfeited and the agreement shall be cancelled, and the Minister of the Interior shall be the sole judge as to whether or not the terms and conditions of the agreement have been complied with.
8. No assignment may be made by the purchaser without the consent in writing of the Minister of the Interior.

The Committee concur in the foregoing and submit the same for approval.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st March, 1917, from the Minister of the Interior, submitting that Allan V. Mackie made homestead entry for the northwest quarter of section 36, township 45, range 25, west of the 3rd meridian, in the Province of Saskatchewan. He has performed two full terms of residence, has completed his cultivation duties, and has also built a house on the land.

The Minister states that it has been represented that Mr. Mackie has suffered injuries which render it inadvisable for him to reside in Saskatchewan, owing to climatic conditions.

In view of the foregoing, and taking into consideration the fact that the settlement duties called for by the Dominion Lands Act have been completed, with the exception of one term of residence, the Minister recommends that authority be granted under section 76 of the Act, chapter 20, 7-8 Edward VII, for the sale of the northwest quarter of section 36, township 45, range 25, west of the 3rd meridian to Mr Mackie, at the rate of \$1 per acre, and that patent for this land be issued in his favour on completion the required payments.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 16th April, 1917, from the Minister of the Interior referring to the Order in Council, dated 27th May, 1908, concerning the application of the City of Winnipeg for certain rights in connection with the development of water-power at the site known as Pointe du Bois Falls on the Winnipeg river in the Province of Manitoba, which Order in Council authorized the Minister of the Interior to issue in favour of the city a lease looking to the sale to the city of certain lands which are set out in schedules "A" and "B" of the said order, upon fulfillment by the city of the terms of the said lease; also, to sell to the city on fulfillment by the city of the terms of the said lease, at the sum of ten dollars per acre, certain lands, for power site purposes, as described in schedule "A" of the said order; further, to sell to the city at one dollar per acre certain additional areas for flooding purposes in connection with the said power development as described in schedule "B" of the said order; and further, to issue in favour of the city, in connection with the said lease, a license for the use and diversion of certain of the waters of the Winnipeg river; the said license to be subject to the payment of such rental as the Governor in Council might fix, and also subject to certain other conditions which the Governor in Council might consider proper in the public interest.

The Minister reports that the lands affected by this power project, having been surveyed by a Dominion Land Surveyor, and the hydraulic and topographic investigations of the engineers of the Dominion Water Power Branch, covering the Winnipeg river having been completed, the time has arrived for a complete settlement of all matters such as those dealt with in the said Order of 27th May, 1908. As a result of the completion of these surveys and investigations it has been ascertained that the lands which are now required by the city for permanent power development works, and the lands which will be flooded by the raising of the waters of the Winnipeg river, differ very materially both in extent and location from those described in the said schedule "A" and "B" accompanying the said Order in Council, dated 27th May, 1908. The lands which the city now requires to use and occupy in connection with its permanent power development works are fully set out in schedules "A", "B" and "C" hereto annexed, and the lands which it has been ascertained will be necessary to be flooded by the raising of the said waters are those hereinafter specified.

The Minister further points out that at the time the said Order in Council, dated the 27th of May, 1908, was passed, no regulations had been brought into force by the Governor in Council for the administration of water powers; and that such regulations were not given effect by the Governor general in Council until the 2nd day of June, 1909.

The Minister states that in arranging a settlement, consideration has been given to the above fact coupled with the further circumstance that the city had made a considerable portion of its investment for the development of power prior to the date of the passage of the said Order in Council and had completed a portion of its present installation before the said regulations became effective; therefore the conditions provided in the said regulations cannot, in the opinion of the Minister, be entirely adhered to in dealing with the city.

The Minister observes that a grant to the city of the lands as authorized by the said Order in Council of the 27th May 1908, may not now, however, be carried out, as the provisions of section 6, chapter 27, 4-5, George V., being an amendment to the Dominion Lands Act, provide that any lands upon which there is any water-power, or which border upon or being close to a water-power will be required or useful for the development and working of such water-power shall not be sold or conveyed in fee by the Crown, but may only

be leased under regulations made by the Governor in Council and that it is, therefore, necessary to enter into an entirely new arrangement with the city instead of carrying out the sale of lands which was authorized in the said Order in Council.

It is submitted that a lease should be executed granting the city the right to use and occupy the lands adjacent to the Winnipeg river upon which certain power development works have been constructed.

It is further submitted that authority should also be given the Minister to issue a license of occupation to the city for the water-covered lands on which a portion of its works are situated, and also to lease a small parcel of land at Eight Foot falls, situated below the city's plant, which may be required for the improvement of the channel of the river.

The said Order in Council of May 27th, 1908, also looked to the sale for flooding purposes of a large tract of land adjacent to the Winnipeg river. The Department of the Interior subsequent to the passage of the said Order in Council has carried on extensive topographical surveys in order to set out and ascertain the lands which will be actually required for the said flooding purposes. These surveys are shown on the official township plans, all areas adjacent to the river being taken to the 981.1 foot contour line, Water Power survey datum, which line limits the lands which will be flooded in connection with the operation of the city's power undertaking. The lands lying above the said contour line not being essential for the purposes of the city's water-power undertaking, and being now considered valuable for agricultural and other purposes, it is not considered in the public interest that they should be included within the grant to the city. Hence it is proposed to issue in favour of the city an authorization to raise the waters of the Winnipeg river above Point du Bois falls and to flood the said lands of His Majesty which lie below the said contour line.

The Minister submits that it is in the public interest that the administration of the lands and the waters that are valuable in respect of any water-power development should be co-ordinated, and that the instruments granting rights respecting the use of such lands and waters should be made as nearly as possible subject to the fulfilment by the licensee or lessee of the same terms and conditions, also that it is desirable that the said leases, license of occupation and authorization should refer to the water-license which it is now proposed to issue in favour of the city, and should be made dependent as nearly as possible upon the observance of all the terms and conditions of the said water-license.

The Minister therefore recommends,—

- (a) That he be authorized to issue to the city a license, hereinafter referred to as the water-license, for the diversion from the Winnipeg river and for use for power purposes at the said site such flow of water as may in the opinion of the Minister of the Interior be required to operate the city's present plant including the eight unit to concrete work of which has been completed but the machinery not yet installed, at its maximum capacity, such flow to be decided by the Minister; the city to pay for the diversion and use of the said water a yearly rental of one hundred dollars (\$100.00) and a further fee of fifty cents per horse-power-year for any output of power in any year in excess of 20,000 horse-power-years. The said water-license shall be for a term of 1911 renewable for a further term of twenty years and so on in perpetuity at the option of the city upon fulfilment by the city of all the terms and conditions which may be set forth in the said license. The said annual rental shall be subject to revision at the end of the first term and at the expiry of every ten years period thereafter. The said license shall also provide that in the event of any scheme for the control and the regulation of the flow of the waters of the Winnipeg river being undertaken by the Government of Canada or any person or authority acting for the said Government, or in the event of any work for the storage of water in order to augment the flow which is capable of being utilized by the licensee being so undertaken, that the

City shall conform to and comply with any order in respect of the said control, regulation or works which may be issued by the Minister or by any person authorized by the Minister to act in that behalf, and shall pay its proportionate share of the cost of construction, maintenance and operation of any such works, and shall also pay such rental for the addition flowage of water created by the said storage works and used by the licensee as the Minister may determine. Such license shall also provide that the licensee shall divert and use the waters authorized under the said license in such a manner as will not in the opinion of the Minister interfere with the maximum advantageous development of the power resources of the Winnipeg river. Such license shall further provide as did the said Order in Council of the 27th of May, 1908, for the control by the Government of Canada of the rates charged by the city for the use of power developed at the said site.

(b) That he be authorized to issue to the city a lease, of certain lands not covered by water as described in schedule "A", being the lands adjacent to the power site, comprising 228.5 acres, for the purpose of constructing, maintaining and operating the city's works thereon, at a rental of twenty dollars (\$20.00) per annum payable in advance. The said lease shall be dated the first day of November, 1911, and shall be for a term of twenty years renewable in the same manner as the water license and shall be subject to the observance and fulfilment by the lessee of all the terms and conditions of the said water license and shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid as provided. Such rental shall, however, be subject to revision at the end of the first term of the lease and at the expiry of every ten year period thereafter.

(c) That he be authorized to issue to the city a license of occupation for certain water covered lands for the purpose of constructing, maintaining and operating the city's works thereon, the said water covered lands being those described in schedule "B" hereto annexed, at a rental of fifteen dollars (\$15.00) per annum payable in advance, such license of occupation to be for a term of twenty years beginning from the first day of November 1911 and to be renewable in the same manner as the said water license and to be subject to the observance and fulfilment by the licensee of all the terms and conditions of the said water license and such annual rental to be subject to revision at the expiry of every ten year period thereafter; and the said license shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid in advance.

(d) That he be authorized to issue to the city an authorization to raise the waters of the Winnipeg river above Pointe du Bois falls to the 981.1 foot contour line of the Dominion Water Power Survey which contour line is shown on the official plans of Townships 15 and 16, Ranges 14 and 15, east of the Principal Meridian, which plans are approved and confirmed by the Surveyor General; such authorization to be for a term of twenty years dated from the first day of November, 1911, at an annual fee of one hundred dollars (\$100.00) and renewable for a further term of twenty years in the same manner as the said water license and shall be subject to the observance and fulfilment by the lessee of all the terms and conditions of the said water license and shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid in advance, but the annual fee for the privilege of raising these waters shall be subject to revision at the expiration of the first term and at the end of every ten year period thereafter. Such authorization shall not, owing to the necessity of uninterrupted access to and from the river on the part of the homesteaders on the contiguous lands and for other reasons carry with it any interest in the lands which will be affected by the raising of these waters saving only the right to flood the same.

(e) That he be authorized to issue to the City a lease for a term of twenty years, dated from the first day of November, 1911, such lease to be renewable if the Minister considers that such renewal is in the public interest, at an annual rental of ten dollars (\$10) payable in advance, such rental to be subject to revision at the end of the first term and every ten years thereafter, of a parcel of land containing 8.3 acres at Eight Foot falls such lease to contain provision for cancellation if and when the license of the city for the diversion and use of the water as hereinbefore provided is cancelled or if the annual rental is not paid in advance, or if the land is required in connection with the canalization of the Winnipeg river or is required in connection with a power development at Eight Foot falls or Slave falls. This lease shall provide that plans for any improvement on the lands leased or for any construction of any kind thereon must be submitted to the Minister of the Interior for approval, and that no works thereon shall be commenced until such approval is given.

The Minister further recommends that he be authorized to insert such additional provisions in any of the aforesaid instruments of grant as may be deemed necessary to carry out the interest thereof or to safeguard the public interest.

The Committee concur in the foregoing recommendations and submit the same for approval.

Clerk of the Privy Council.

IN COUNCIL.

Clerk of the Privy Council.

[848]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 29th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th March, 1917, from the Minister of the Interior, referring to the Order in Council, dated the 4th May, 1912 (P.C. No. 967), authorizing the sale of certain lands to the Western Canada Power Company for power development purposes which lands were set out in the order and in a schedule accompanying the same.

These lands were divided into two classes, first, those required for the site of works for which the company was to pay ten (\$10), per acre, and second, those required for flooding purposes which were authorized to be sold at five dollars (\$5), per acre.

The Minister states that the sale of the first class of lands above referred to, namely, those required for the site of works has been consummated, title of the same having been transferred to the company; that the company now desire to have action taken regarding the flooded areas and that, in this connection, the company have set out that for the purpose for which they require these lands it is not essential that a title in fee simple should be granted by the Crown but that some form of indenture whereby the company would secure the right to flood the lands lying below the flood contour as determined by a survey made under instructions issued by the Surveyor General.

The Minister submits that, as the rights for which the company now apply have been reduced to merely flooding privileges, all foreshore and other rights in the land being reserved to the Crown to be administered in any way which is in the public interest, it would seem just that some other arrangement respecting the disposition of these areas should be made between the Power Company and the Department;

The Minister further states that the schedule of the lands, authorized to be sold to the company at five dollars (\$5) per acre by the Order in Council of the 4th May, 1912, included three parcels containing in all an area of 319.9 acres, which parcels were occupied by two homesteaders and a squatter, which occupants the Power Company was compelled to compensate for their interest in the lands, the releases costing the company some six thousand seven hundred dollars (\$6,700) and that the company now claim some special consideration;

The Minister observes that, in view of the large sum which these areas have already cost them the larger portions of which are now flooded and are therefore lost from a productive viewpoint, it would appear fair that the company should receive some special treatment in respect to the sum to be paid for these areas;

The Minister, therefore, recommends that he be authorized to issue in favor of the Western Canada

Power Company an authorization to use for the purpose of flooding these lands lying below the flood contour as determined by Mr. S. S. McDiarmid, Dominion Land Surveyor, which contour is shown on the plan filed as No. 18206, in the Survey Records Branch of the Department of the Interior and for which flooded area as shown on the said plan the company shall pay a rental of ten cents (10c.) per acre per annum, this authorization to remain in full force and effect during the continuance of the company's rights to the waters of Stave river and Stave lake for the development of power, such authorization to be issued, however, only after the company have filed with the Department of the Interior, the consent of the owners of all timber berths which will be affected;

The Minister further recommends that authority be granted for the sale to the Western Canada Power Company of the west $\frac{1}{2}$ of section 31, township 18, east of the coast meridian at one dollar (\$1) per acre, these being the lands for which the company compensated the homesteaders and squatters who formerly occupied the same, which parcel contains an area of 319.9 acres, and is shown on the plan of the northwest $\frac{1}{4}$ of township 18, east of the coast meridian, approved and confirmed by the Surveyor General on the 19th day of March, 1912.

The Committee concur in the foregoing recommendations and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

[1072]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th April, 1917, from the Minister of the Interior, submitting that Mr. T. Dennill was granted homestead entry for the southeast quarter of Section 2, Township 51, Range 4, west 5th Meridian, on the 29th August, 1907, and that he completed all the duties in connection therewith, as required by The Dominion Lands Act, to entitle him to letters patent. It was then found that 24.28 acres of this quarter section had already been patented to the Honourable G. B. Rouleau and Mr. Thomas Henderson, under a mining sale which also included the surface rights.

On the facts becoming known to the Department, Mr. Dennill was offered an equal area adjoining his homestead to the south, but he refused to entertain the proposition on the ground that the land was heavily wooded and was separated from his homestead by a road allowance. Mr. Dennill valued the 24.28 acres above referred to at \$10.00 per acre, which valuation was confirmed by a Homestead Inspector. Mr. Dennill finally agreed to accept, in lieu thereof, a free patent for Legal Subdivisions 9 and 16 of section 9, Township 51, range 3, west of the 5th Meridian. This land was valued by a Homesteader Inspector at \$3.00 per acre and is, therefore, of approximately the same value as the 24.28 acres withheld from the entry.

The granting of a free patent for the legal subdivisions referred to, would appear to interfere with the disposal of the balance of the northeast quarter of section 9, and with the northwest quarter of section 9 lying north and east of the river, and it was therefore decided to accede to Mr. Dennill's request, on condition that he purchase the balance of the northeast quarter of Section 9 and the fractional northwest quarter of Section 9 lying north and east of the river, in Township 51, Range 3, west of the 5th Meridian, containing an area of 64.1 acres, more or less, according to survey, at the Homestead Inspector's valuation thereof, being at the rate of \$3.00 per acre.

Mr. Dennill has stated his willingness to accept the settlement suggested by the Department of the Interior and has made payment in full for the 64.1 acres referred to.

The Minister therefore recommends, in view of the facts contained herein, and in accordance with the

provisions of section 76, chapter 20, 7-8 Edward VII, that Mr. Dennill be granted a free patent for Legal Subdivisions 9 and 16 of Section 9, Township 51, Range 3, west of the 5th Meridian in compensation for the 24.28 acres of his homestead which had been otherwise disposed of, and that patent also be issued to him for the land purchased by him, namely, legal subdivisions 10 and 15 and the fractional northwest quarter of Section 9 lying north and east of the Saskatchewan River in Township 51, Range 3, west of the 5th Meridian.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

ATTENDU que demande a été faite au nom du village de Vanguard, dans la province de Saskatchewan, de la concession pour les fins d'un cimetière de 2 acres de terrain compris dans l'angle sud-est du quart sud-ouest de la section 22, township 11, rang 10, à l'ouest du 3e méridien, dans la dite province de Saskatchewan.

Et attendu que le ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives du Département de l'Intérieur.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 30e jour de mars 1917, représentant que Noah John Bailey, de la ville de Duffield, dans la province d'Alberta a demandé la permission d'acheter pour fins d'assèchement par le drainage le quart nord-est de la section 22, ainsi que tout le lot vingt-six (26), township 53, rang 3, à l'ouest du 5e méridien, dont certaines parties sont submergées par les eaux du lac Muskeg.

Le ministre représente que le terrain demandé consiste en terres fédérales inoccupées et impropres à la culture en leur condition présente, tandis que le lac n'est d'aucune utilité comme source d'approvisionnement d'eau. D'une enquête faite par l'ingénieur du département de l'Intérieur, il ressort cependant que les eaux du lac peuvent être écoulées dans la rivière Saskatchewan-nord, à une dépense raisonnable avec le résultat que ce terrain actuellement sans valeur peut être asséché, rendu propre à la culture, converti en terres à foin ou à pâturage.

Le ministre déclare de plus qu'il a été établi d'une manière suffisante que l'auteur de la demande est sujet britannique-né.

Les propriétaires et occupants des terrains contigus au rivage du lac, ainsi que le ministre des Travaux publics de la province d'Alberta, pour le gouvernement de cette province, ont donné leur consentement à l'exécution des travaux pour l'assèchement du lac.

Le ministre recommande, par conséquent, qu'on l'autorise à vendre audit Noah John Bailey le quart nord-est de la section 22, et toute la section 26, township 53, rang 3, à l'ouest du 5e méridien, comprenant une superficie totale de 798 acres, plus ou moins, sujet, *inter alia*, aux conditions suivantes qui seront déterminées dans une convention entre le ministre de l'Intérieur, représentant Sa Majesté le Roi George V, et l'acquéreur :—

1. Le terrain sera vendu au prix de \$1.00 l'acre, un cinquième payable dans les deux ans de la date de la vente et les autres quatre-cinquièmes en quatre

versements annuels égaux, à cinq pour cent d'intérêt par année.

2. L'acquéreur s'assurera tous les droits de passage nécessaires avant de commencer les travaux de construction.
3. Les travaux devront être commencés dans un délai d'un an de la date de leur autorisation et parachevés dans un délai de quatre ans; ils seront sujets à l'inspection du ministre, ou d'un fonctionnaire compétent qu'il aura nommé à cette fin, pendant et après la construction.
4. L'acquéreur sera responsable de tous dommages causés par l'exécution de ces travaux.
5. Les travaux devront être parachevés à la satisfaction du ministre de l'Intérieur, et au moins trente pour cent de la superficie totale du terrain devra être prête pour la culture au parachevement des travaux, et un autre cinquante pour cent de cette superficie propre à la récolte du foin et au pâturage.
6. Les lettres patentes de ce terrain, ou d'une partie quelconque du terrain, ne seront émises que lorsque les travaux seront parachevés à la satisfaction du ministre, que le prix d'achat aura été payé et que les autres conditions de la convention auront été observées.
7. Au cas où l'acquéreur ne se conformerait pas aux conditions de la convention, ou que les travaux ne seraient pas parachevés à la satisfaction du ministre, l'argent payé peut être confisqué et la convention annulée, le ministre de l'Intérieur étant le seul juge du fait que les conditions de la convention ont ou n'ont pas été observées.
8. L'acquéreur ne peut faire de cession sans le consentement écrit du ministre de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 avril 1917, représentant que la compagnie dite "Northern Fish Company, Limited," de Selkirk, Manitoba, a demandé la cession à bail, pour les fins d'une station de pêche, de la moitié nord d'une île située dans le lac Winnipeg, province du Manitoba, antérieurement connue sous le nom de Sandy Island ou Middle Sandy Island, et maintenant sous celui de Sandy Island.

Comme le terrain demandé est disponible d'après les archives du Département de l'Intérieur, le ministre demande l'autorisation en vertu des dispositions du chapitre 57 des Statuts Révisés du Canada, 1906, de louer cette île au requérant, pour les fins d'une station de pêche, pendant une période de dix ans, au loyer annuel de \$200 payable d'avance. Outre les conditions ordinaires dans les cas de ce genre, le bail contiendra une restriction qu'il ne cède le droit à l'usage exclusif du havre sur le côté ouest de l'île, qu'il peut être révoqué en tout temps après un an d'avis du ministre de l'Intérieur et que Sa Majesté se réserve tous les droits de pêche et d'occupation sur la dite île, ainsi qu'autour et dans le voisinage de cette île, et le droit d'accostage et d'amarrage des bateaux et des vaisseaux en tout point quelconque des rives de la dite île, et l'usage des dites rives en rapport avec les droits de pêche.

Le terrain demandé, qui peut être décrit plus minutieusement comme lot 2, groupe 273, île Sandy, dans le lac Winnipeg, province de Manitoba, contient 85 acres et est indiqué par des hachures noires sur le plan annexé.

Le comité agréé cette recommandation et la soumet pour approbation.

ATTENDU que par un arrêté en conseil du 11 septembre 1894, promulgué sous l'empire de l'article 9, chapitre 107 de la *Loi des falsifications, 1886*, certains types de qualité ont été établis pour le thé.

Et attendu qu'à ces types de qualité d'autres ont été substitués par un arrêté en conseil du 11 septembre 1916.

Et attendu qu'avant la publication de la circulaire officielle donnant effet au type modifié l'analyste en chef, à titre de président de la Commission consultative des substances alimentaires, a recommandé que la question reste en suspens afin de permettre une étude plus approfondie du sujet. Cette étude est maintenant complète, et il en résulte que d'autres modifications sont nécessaires.

Par conséquent, il plaît à Son Excellence en conseil de décréter par ces présentes que soient annulés les types de qualité du thé établis par l'arrêté en conseil du 11 avril 1916, et qu'en vertu des dispositions de l'article 26 de la *Loi des falsifications, Statuts révisés de 1906*, les types de qualité suivants leur soient substitués, savoir :

Le thé provient des feuilles et des bourgeons de diverses espèces de la tribu des caméliacées, préparés d'après les procédés ordinaires du commerce, et est conforme au nom qu'il porte quant à la variété et l'endroit de production. Le thé doit remplir les conditions suivantes :—

Caractères botaniques.—La structure de la feuille est celle de l'espèce camélia.

Cendre totale.—La teneur en cendre ne sera pas moins que quatre pour cent ni plus que sept pour cent du thé sec. (Thé sec signifie le thé séché au poids constant à 100°C.

Cendre soluble dans l'eau.—Ne sera pas moins que trois pour cent du poids du thé sec.

Extractif.—La matière soluble dans l'eau, dans les conditions ci-dessous décrites, ne sera pas moins que 33 pour 100 dans les thés verts, ni moins que 30 pour 100 dans les thés noirs ; ces pourcentages sont calculés sur les thés secs.

CONDITIONS POUR DÉTERMINER L'EXTRACTIF.

Un bon échantillon du thé sec est moulu assez fin pour passer à travers un sas dont les mailles ont un huitième de pouce.

2-5 grammes du thé moulu sont additionnés de 225cc d'eau froide distillée, dans une bouteille en verre d'une capacité d'environ 500cc et munie d'un bouchon et d'un tube en verre d'environ 25 pouces de longueur et $\frac{1}{2}$ pouce de diamètre, ou d'un condenseur à reflux. La bouteille est rapidement chauffée jusqu'à ce que l'eau soit en ébullition, et l'ébullition doit se continuer pendant une heure.

Tout le contenu est transvasé dans une bouteille d'une capacité de 250cc et amenée à point à environ 70°C. Après filtration à l'état chaud, 50cc est évaporé jusqu'à l'état sec, et pesé. Le poids du résidu multiplié par 200 est l'extractif pour cent.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le Ministre des Finances fait rapport que certaines conditions résultant de la guerre affectent sérieusement les prix du blé au Canada, particulièrement pour les qualités inférieures ;

Et attendu qu'en temps normal il existe une forte demande de blé de toutes qualités pour exportation à la Grande-Bretagne et au Continent pour les fins de meunerie ;

Et attendu que cette demande a depuis quelque temps entièrement cessé à cause du manque de moyens de transport océanique dû aux attaques des sous-marins, presque tout le tonnage disponible étant requis pour le transport du grain des meilleures qualités et de la farine qui en est faite, achetés au Canada et aux Etats-Unis par le gouvernement anglais et les gouvernements des pays alliés pour leurs besoins particuliers ;

Et attendu qu'en conséquence de cet état de choses une grande quantité de blé canadien est exporté aux marchés des Etats-Unis pour la vente, nonobstant les droits de douane qu'impose le tarif des Etats-Unis ;

Et attendu que les enquêtes récemment faites par la Commission des grains du Canada et autres renseignements provenant de sources authentiques ont convaincu le Ministre des Finances que les prix courants du blé au Canada, particulièrement pour les qualités inférieures, sont, pour les causes précitées, beaucoup moins élevés qu'aux Etats-Unis. De fait, il y a raison de croire qu'on profite de la situation pour maintenir les prix de ces blés à un taux beaucoup moins élevé que ne le justifient les conditions du marché, et il appert des renseignements recueillis qu'il reste encore à vendre une grande quantité de la récolte canadienne de l'an dernier ;

Et attendu qu'au moment où se fait un appel spécial pour l'augmentation de la production agricole afin d'approvisionner de céréales et de denrées la Grande-Bretagne et ses alliés, au nombre desquels comptent aujourd'hui les Etats-Unis, il est désirable que le cultivateur canadien sache qu'il obtiendra les plus hauts prix du marché pour les produits de son industrie ;

Et attendu que le Ministre des Finances est d'avis que dans les circonstances il est opportun de prendre telles mesures qui donneront au blé du Canada libre accès aux marchés des Etats-Unis au lieu des marchés de la Grande-Bretagne et du continent européen qui lui étaient ouverts dans les conditions existantes, et, dans ce but, il attire l'attention de Son Excellence sur certaines dispositions du tarif des douanes des Etats-Unis. D'après l'article 644 de ce tarif, le blé, la farine de froment, la semoule et les autres produits du blé sont admis francs de droits lorsqu'ils proviennent des pays qui n'imposent pas de droits de douane sur le blé, la farine de froment ou la semoule importés aux Etats-Unis ; autrement le droit sur le blé est de dix cents le boisseau, de quarante-cinq cents le baril sur la farine de froment, et de dix pour cent *ad valorem* sur la semoule et autres produits du blé ;

Et attendu que si le Canada plaçait le blé, la farine de froment et la semoule sur la liste de libre échange, ces produits atteindraient francs de droits les marchés des Etats-Unis ;

Et attendu que pour les raisons précitées il est de l'intérêt national d'obtenir libre accès au blé du Canada aux marchés des Etats-Unis,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu de l'autorité que lui confère la *Loi des mesures de guerre, 1914*, article 6, de décréter par ces présentes que le blé, la farine de froment et la semoule soient placés sur la liste des articles qui peuvent être importés en franchise au Canada.

Il plaît à Son Excellence le Gouverneur général en conseil de rescinder par ces présentes les règlements concernant la tuberculose, approuvés par un arrêté en conseil daté le 18 mai 1914, et il lui plaît de plus de décréter que les règlements ci-annexés leur soient substitués.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

RÈGLEMENTS CONCERNANT LA TUBERCULOSE.

1. Le Ministère de l'Agriculture prêtera son concours aux villes d'une population d'au moins cinq mille personnes qui, d'après la loi de leur province, pourront se conformer aux présents règlements.

2. Le gouvernement fédéral aidera toute ville qui aura signifié par écrit au directeur général vétérinaire son désir d'obtenir le concours du Ministère de l'Agriculture, pour enrayer la tuberculose bovine parmi les vaches qui l'alimentent en lait et en crème. A cette fin, la dite ville devra spécifier dans sa demande qu'ayant été dûment autorisée par la loi, elle s'engage à observer les règlements suivants :

(a) Les laiteries qui vendent du lait ou de la crème doivent avoir une licence.

(b) Pour obtenir cette licence, la laiterie doit se conformer à certaines conditions.

(c) Ces conditions sont les suivantes : l'étable doit avoir un bon cube d'air et deux pieds carrés au moins de fenêtre vitrée par vache ; elle doit être bien aérée, bien égoûtée, être tenue proprement et dans des conditions hygiéniques.

(d) Le lait provenant d'un troupeau ayant passé la première épreuve depuis plus de deux ans ne pourra être vendu à moins qu'un inspecteur vétérinaire ne certifie que ce troupeau est en bonne santé.

(e) Il sera nommé un ou plusieurs inspecteurs chargés de veiller à l'observation des règlements ci-dessus et de s'assurer que les vaches sont tenues propres, et reçoivent une nourriture et des soins convenables.

3. Dès qu'une municipalité lui signifie son désir d'obtenir l'assistance du Ministère de l'Agriculture comme il est prévu ci-dessus, le directeur général vétérinaire doit immédiatement faire une enquête, et, s'il trouve que les conditions ci-dessus sont observées, il envoie des inspecteurs vétérinaires examiner les dites vaches.

4. Les inspecteurs vétérinaires feront subir aux vaches l'épreuve de la tuberculine et les examineront minutieusement pour déterminer si elles sont saines ou non. Les taureaux de race laitière seront assimilés aux vaches pour l'inspection et les mesures qui s'en suivent.

5. Après l'examen et l'épreuve, les vaches malades et celles qui auront réagi seront traitées de la manière suivante :—

(a) Les vaches que l'inspecteur jugera atteintes de tuberculose ouverte et qui répandent les germes de la maladie par leur lait, leurs excréments ou leur bave

seront envoyées à un abattoir soumis à l'inspection, pour y être abattues aussitôt que possible. S'il n'y a pas d'abattoir à distance convenable, elle seront abattues sur place, en présence de l'inspecteur qui prescriera ce qu'il faut en faire.

(b) Les vaches qui auront réagi à l'épreuve devront être séparées aussi complètement que possible de celles qui n'auront pas réagi (les animaux suspects seront classés comme réacteurs), et leur propriétaire aura le choix d'en disposer de l'une des manières suivantes :—

(1) Les abattre immédiatement.

(2) Les abattre après les avoir taries et engraisées pour la boucherie.

(3) Les garder dans le troupeau et ne vendre ni lait ni crème sans que ces produits aient été pasteurisés.

6. Le propriétaire des animaux abattus aura droit à une indemnité qui sera calculée d'après les règlements suivants, savoir :

(1) La moitié de la valeur estimée de la vache si elle est abattue pour cause de tuberculose ouverte.

(2) Un tiers de la valeur estimée de la vache si elle est abattue à la demande du propriétaire après avoir réagi à l'épreuve.

(3) L'évaluation sera faite par l'inspecteur et ne devra pas excéder la valeur maximum prévue pour les bovins à l'article 6 de la loi.

(7) Le cadavre de l'animal abattu en vertu de ces règlements appartient au propriétaire, qui doit en disposer de la façon prescrite par l'inspecteur vétérinaire.

8. Pour avoir droit à l'indemnité, le propriétaire devra contribuer, autant que possible, à l'extirpation de la maladie, en suivant les instructions de l'inspecteur concernant la désinfection. Le Ministre appréciera si ces conditions sont remplies.

9. Il est défendu de vendre, à l'état nature, du lait ou de la crème provenant d'un troupeau contenant des vaches qui ont réagi à l'épreuve, à moins que ce lait ou cette crème ne soient vendus à une compagnie laitière ou à un commerçant ayant les appareils nécessaires pour les pasteuriser scientifiquement. La pasteurisation scientifique consiste à chauffer le lait ou la crème jusqu'à une température de 145 degrés F. et à les maintenir à cette température pendant au moins vingt minutes. Les inspecteurs de la municipalité sont chargés de veiller à l'exécution de ce règlement. Tous les établissements à pasteuriser doivent faire usage de thermomètres auto-enregistreurs.

10. Les troupeaux seront examinés et soumis à l'épreuve chaque fois que le directeur général vétérinaire le jugera nécessaire, et ces troupeaux seront traités de la manière susdite après chaque examen.

11. Les vaches achetées par le propriétaire d'un troupeau en surveillance devront être soumises à l'épreuve et ne seront placées avec les vaches saines qu'après avoir subi l'épreuve avec succès.

12. Quand deux épreuves successives n'auront pas révélé, dans un troupeau, la présence de vaches réagissant à l'épreuve, ce troupeau sera déclaré sain et l'inspecteur vétérinaire délivrera, sur demande, un certificat à cet effet.

13. Pour faciliter l'application de ces règlements, l'officier médical de santé d'une ville, qui a demandé l'aide du gouvernement fédéral en vertu de ces règlements, peut d'accord avec le directeur général vétérinaire, classer toutes les laiteries qui alimentent cette municipalité en deux catégories; savoir :—

(a) laiteries de lait en nature ;

(b) laiteries de lait pasteurisé.

Les laiteries de la catégorie (a) tomberont alors sous les articles 3, 4, 5, 6, 7, 8 ; les laiteries de la catégorie (b) ne sont pas soumises à l'épreuve de la tuberculine et doivent être traitées en vertu de l'article 9, de la même manière que les troupeaux qui contiennent des bêtes réagissantes.

14. Lorsque le directeur général vétérinaire juge que les progrès de l'extirpation de la tuberculose dans les troupeaux alimentant une municipalité ont atteint un point satisfaisant, il peut aviser l'officier médical de santé que le Ministère de l'Agriculture a terminé son travail dans cette municipalité, et la municipalité devra, par la suite, maintenir l'état de santé des troupeaux dans le même état.

15. Sont abrogés par les présentes, les règlements touchant la tuberculose, approuvés par arrêté en conseil, en date du 18 mai 1914.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que le 5 juillet 1911 James Wilson obtint l'inscription de homestead du quart nord-est de la section 35, township 19, rang 11, à l'ouest du méridien principal, dans la province du Manitoba.

Le ministre déclare que les faits soumis indiqueraient que cet inscrit a résidé sur ce quart de section du 15 octobre 1914 jusqu'au printemps de 1915, et a clôturé tout le terrain, y a érigé une maison et une étable, et fait 17 acres de défoncement qu'il a ensemencés.

M. Wilson a présenté un certificat médical, dont copie ci-contre, établissant qu'il est tout à fait impropre à remplir ses obligations de résidence à venir ;

Vu la teneur de ce certificat, le Ministre recommande qu'on l'autorise, sous l'empire du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, à relever M. Wilson de ses obligations de résidence à venir, et que patente gratuite soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire qu'il a rempli ses autres obligations.

Le comité agréé cette recommandation et la soumet pour approbation.

Et attendu que ces huit acres de terrain n'ont pas été trouvés satisfaisants pour les fins d'un cimetière et que la dite municipalité rurale les a remis à la Couronne pour le Canada et a demandé en échange huit acres compris dans une lisière de terrain de 4 chaînes de largeur et de 20 chaînes et 8 chaînons de longueur le long de la borne sud du dit quart de section fractionnaire, mesuré à partir de l'angle sud-est.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que M. D. Dennill a obtenu, le 29 août 1907, l'inscription de homestead pour le quart sud-est de la section 2, township 51, rang 4, à l'ouest du 5e méridien, et qu'il a accompli toutes les obligations prescrites par la *Loi des terres fédérales* pour lui donner droit à sa patente. On découvrit ensuite que 24.28 acres de ce quart de section avaient déjà été concédés à l'honorable G. B. Rouleau et M. Thomas Henderson dans une vente de terrains miniers qui comprenait aussi les droits de surface.

Dès que le département fut informé de ce fait, il offrit à M. Dennill une égale étendue de terrain voisine de son homestead au sud, mais il refusa de consentir à cette proposition parce que le terrain était densément boisé et était séparé de son homestead par une réserve de chemin.

M. Dennill évaluait les 24.28 acres susdits à \$10 l'acre, estimation qui a été confirmée par un inspecteur de homestead. M. Dennill consentit finalement à accepter, au lieu de ce terrain, la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien. Ce terrain fut évalué par un inspecteur de homestead à \$3 l'acre, et par conséquent, et à peu près la même valeur que les 24.28 acres soustraits de l'inscription.

En accordant la patente gratuite des subdivisions légales, ci-dessus mentionnées on met obstacle à la vente du reste du quart nord-est de la section 9, ainsi que du quart nord-ouest de la section 9 au nord et à l'est de la rivière, et il a par conséquent été décidé de se rendre à la demande de M. Dennill, à condition qu'il achète le reste du quart nord-est de la section 9 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'est de la rivière, dans le township 51, rang 3, à l'ouest du 5e méridien, contenant 64.1 acres plus ou moins, conformément à l'arpentage, à l'évaluation faite par l'inspecteur des homesteads, soit au prix de \$3.00 l'acre.

M. Dennill a signifié son consentement à l'arrangement suggéré par le Département de l'Intérieur et a fait paiement complet des 64.1 acres susdits.

Par conséquent, en vue des faits précités, et conformément aux dispositions de l'article 76 du chapitre 20, 7-8 Edouard VII, que M. Dennill reçoive la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien, en compensation pour les 24.28 acres de son homestead qui avaient été autrement concédés, et que lui soit aussi accordée la patente du terrain qu'il a acheté, savoir, les subdivisions légales 10 et 15 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'ouest de la rivière Saskatchewan, dans le township 51, rang 3, à l'ouest du 5e méridien.

Le comité agréé cette recommandation et la soumet pour approbation.

A U comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 21 mars 1917, représentant que Allen V. Mackie a obtenu l'inscription de homestead pour le quart nord-ouest de la section 36, township 45, rang 25, à l'ouest du 3e méridien, dans la province de la Saskatchewan. Ce colon a résidé sur ce terrain pendant deux des périodes prescrites par la loi, qu'il a accompli ses obligations quant à la culture et a aussi construit une maison sur le terrain.

Le ministre ajoute qu'il a été démontré que M. Mackie a souffert d'infirmités qui lui défendent le séjour dans la Saskatchewan, à cause des conditions climatiques.

En vue des faits précités et du fait que les conditions d'établissement prescrites par la *Loi des terres fédérales* ont été observées, sauf une période de résidence, le ministre demande l'autorisation, en vertu de l'article 76 de la loi, chapitre 20, 7-8 Edouard VII, de vendre à M. Mackie, au prix de \$1 l'acre, le quart nord-ouest de la section 36, township 45, rang 25, à l'ouest du 3e méridien, et de lui céder la patente de ce terrain dès qu'il aura fait les paiements requis.

Le comité agréé cette recommandation et la soumet pour approbation.

Jeudi, le 29e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 mars 1917, se rapportant à un arrêté en conseil daté le 4 mai 1912 (C.P. 967) autorisant la vente de certains terrains à la compagnie dite "Western Canada Power Company" pour le développement de la force motrice, lesquels terrains seront indiqués dans l'arrêté en conseil et l'annexe qui l'accompagne.

Ces terrains ont été divisés en deux classes : premièrement, ceux qui étaient requis pour l'emplacement des usines et pour lesquels la compagnie a payé dix dollars (\$10) l'acre, et deuxièmement les terrains requis pour submersion dont la vente fut autorisée à cinq dollars (\$5) l'acre.

Le ministre ajoute que la vente des terrains de la première classe ci-dessus mentionnée, savoir, ceux qui étaient requis pour l'emplacement des usines, a été consommée, le titre en ayant été transféré à la compagnie ; que la compagnie désire maintenant régler la question des terrains submergés et que, sous ce rapport, la compagnie déclare qu'aux fins pour lesquelles ces terrains sont requis il n'est pas essentiel que la Couronne accorde un titre absolu, mais qu'une certaine convention pourrait être passée qui donnerait à la compagnie le droit de submerger les terrains situés en aval de la ligne de submersion, ainsi que déterminé par un arpentage effectué d'après les instructions de l'arpenteur général.

Le ministre soumet que puisque les droits que demande la compagnie ont été réduits aux seuls privilèges de submersion, tous les droits à la plage et autres droits au terrain ayant été réservés à la Couronne pour être administrés dans l'intérêt public, il semblerait juste qu'une autre convention soit faite concernant la concession de ces terrains entre la compagnie et le département.

Le ministre ajoute que dans la liste des terrains, dont la vente à la compagnie à cinq dollars (\$5) l'acre était autorisée par l'arrêté en conseil du 4 mai 1912, étaient compris trois terrains ayant une superficie totale de 319.9 acres, lesquels terrains étaient occupés par deux homesteaders et un squatter, que la compagnie a été obligée de dédommager pour leurs intérêts dans ces terrains, les cessions ayant coûté à la compagnie une

somme de \$6,700, et que la compagnie demande maintenant qu'on donne à ce fait considération spéciale.

Le ministre ajoute qu'en vue des sommes considérables que ces terrains ont déjà coûté et que, considérant que la plus grande partie de ces terrains sont maintenant submergés et improductifs, il semble juste que la compagnie reçoive cette considération spéciale quant à la somme qui doit être payée pour ces terrains,—

Par conséquent, le ministre recommande qu'il soit autorisé à émettre en faveur de la compagnie dite "Western Canada Power Company" une autorisation de se servir, pour la submersion, des terrains situés en aval de la ligne de contour ainsi que déterminée par S. S. McDiarmid, arpenteur des terres fédérales, lequel contour est indiqué sur le plan numéro 18206, déposé aux archives de la branche des arpentages du Département de l'Intérieur, et que la compagnie paye pour ces terrains submergés indiqués sur ledit plan un loyer de dix cents l'acre par année, cette autorisation devant rester en pleine vigueur tant que dureront les droits de la compagnie aux eaux de la rivière Stave et du lac Stave pour le développement de la force motrice, la dite autorisation, toutefois, ne devant être émise que lorsque la compagnie aura déposé au Département de l'Intérieur l'acte de consentement des propriétaires d'exploitations forestières qui y seront affectées.

Le ministre recommande de plus que l'autorisation soit accordée de vendre à la compagnie dite "Western Canada Power Company" la moitié ouest de la section 31, township 18, à l'est du méridien de la côte à un dollar (\$1) l'acre, ces terrains étant ceux pour lesquels la compagnie a dédommagé les homesteaders et squatters qui les occupaient autrefois ; ce terrain a une superficie de 319.9 acres et est indiqué sur le plan du quart nord-ouest du township 18, à l'est du méridien de la côte, plan approuvé et confirmé par l'arpenteur général le 19 mars 1912.

Le comité agréé cette recommandation et la soumet pour approbation.

Mardi, le 10e jour d'avril 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 26 mars 1917, représentant que la Compagnie de chemin de fer Pacifique Canadien a demandé le droit de passage d'une conduite d'eau à Lytton, C.-B., traversant partie du quart sud-est de la section 1, township 15, rang 27, à l'ouest du 6e méridien, partie du quart sud-ouest de la section 6, township 15, rang 26, à l'ouest du 6e méridien, et partie du quart nord-ouest de la section 36, township 14, rang 27, à l'ouest du 6e méridien, comprenant une superficie totale de 1.65 acre, ainsi qu'indiqué sur le plan ci-annexé.

Le ministre ajoute qu'une partie de cette conduite d'eau suit la borne nord-est de la réserve indienne de Lytton (n° 17) et qu'en trois endroits elle traverse les terres de cette réserve. Le Département des Affaires des sauvages s'est engagé à accorder gratuitement à la compagnie le droit de passage sur ce terrain.

Le ministre ajoute que l'agent des terres fédérales à Kamloops a fait rapport le 21 juin 1916, qu'il n'a aucune raison particulière de refuser la demande de la compagnie, et il recommande que le terrain susdit soit vendu au prix de \$10 l'acre.

Le ministre déclare que le terrain demandé est disponible et a été arpenté. La compagnie a déposé au Département de l'Intérieur une copie certifiée d'un acte de cession en sa faveur des droits hydrauliques à cet endroit.

Le ministre recommande qu'il soit permis à la Compagnie de chemin de fer Pacifique Canadien d'acheter les terrains ci-dessus mentionnés au prix de \$10 l'acre.

Le comité agréé cette recommandation et la soumet pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- | | |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel.... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommis; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS by Order in Council of the 11th September, 1894, issued under authority of Section 9, Chapter 107 of the Adulteration Act, 1886, certain Standards were established for Tea ;

And whereas these Standards were cancelled and others substituted in lieu thereof by Order in Council of the 11th September, 1916 ;

And whereas before issue of the official Circular putting the amended Standards into effect, the Chief Analyst, as Chairman of the Advisory Board on Food Standards, recommended that the matter be left in abeyance in order to permit of a more exhaustive investigation and study of the subject, which has now been completed, with the result that further modification is found necessary.

Therefore His Excellency in Council is pleased to Order and it is hereby ordered that the Standards for Tea as established by the Order in Council of the 11th April, 1916, be cancelled, and that under the provisions of Section 26 of the Adulteration Act, R.S. 1906, the following be substituted in lieu thereof, viz :—

Tea, is the leaves and buds of various species of the genus *Camellia*, prepared by the usual trade processes, and conforms in variety and place of production to the name it bears. Tea is required to fulfil the following requirements :—

Botanical characters. The structure of the leaf is that of *Camellia* species.

Total Ash : shall not be less than 4 per cent nor more than 7 per cent of the dry tea (Dry tea, means tea dried to constant weight at 100° C.)

Water Soluble Ash : shall not be less than 3 per cent of the weight of the dry tea.

Extractive : the matter soluble in water, under the conditions described below, shall not be less than 33 per cent in green teas, nor less than 30 per cent in black teas, these percentages being calculated upon the dry tea.

Conditions for determining extractive.

A fair sample of the dry tea shall be powdered so as to pass through a sieve of $\frac{1}{8}$ inch mesh.

2.5 grammes of the powdered tea are treated with 225cc. cold, distilled water, in a glass flask of about 500cc. capacity, and fitted with a cork, and glass tube about 25 in. long, and $\frac{1}{2}$ inch diameter, or with a reflux condenser. The flask is rapidly heated until the water boils, and boiling is continued for one hour.

The whole contents are transferred to a 250cc. flask, and made up to the mark at about 70°C. A filtrate of 50cc. (filtered hot) is evaporated to dryness, and weighed. The weight of the residue multiplied by 200 is extractive per cent.

Friday, the 4th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1917, from the Minister of the Interior, stating that Mr. Allan Edward McDonald obtained homestead entry for the south-west quarter of Section 4, Township 79, Range 5, west of the 6th Meridian, on the 7th June, 1915.

The Minister further states that a Medical Certificate furnished by Doctors Wm Gibson and W. T. Connell of Kingston, Ontario, dated 12th March, 1917, sets out that Mr. McDonald is suffering from general paresis, a condition that will prevent his return to Spirit River, Alberta, to undertake the further occupation and development of his homestead situated at that place.

Another Medical certificate furnished by Doctor Shaw of Spirit River, Alberta, dated 10th January, 1917, sets out that Mr. McDonald is suffering from Paranoia.

A letter from Mr. Roderick McDonald, the entrant's father, dated 31st March, 1917, assures the Department of the Interior that his son had, to the best of his knowledge, resided on the homestead for eight months and had nearly completed the other duties. He is a Veteran of the South African War and volunteered for service at the outbreak of the present war but was rejected as medically unfit. The necessary work will be completed on the homestead this fall.

The Minister recommends, in view of the foregoing, that, under the provisions of subsection 2 of Section 20, of The Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to him upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled. Mr. McDonald is a British subject.

The Committee, concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

45-4

[1066]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 16th April, 1917, from the Minister of the Interior referring to the Order in Council, dated 27th May, 1908, concerning the application of the City of Winnipeg for certain rights in connection with the development of water-power at the site known as Pointe du Bois Falls on the Winnipeg river in the Province of Manitoba, which Order in Council authorized the Minister of the Interior to issue in favour of the city a lease looking to the sale to the city of certain lands which are set out in schedules "A" and "B" of the said order, upon fulfillment by the city of the terms of the said lease; also, to sell to the city on fulfillment by the city of the terms of the said lease, at the sum of ten dollars per acre, certain lands, for power site purposes, as described in schedule "A" of the said order; further, to sell to the city at one dollar per acre certain additional areas for flooding purposes in connection with the said power development as described in schedule "B" of the said order; and further, to issue in favour of the city, in connection with the said lease, a license for the use and diversion of certain of the waters of the Winnipeg river; the said license to be subject to the payment of such rental as the Governor in Council might fix, and also subject to certain other conditions which the Governor in Council might consider proper in the public interest.

The Minister reports that the lands affected by this power project, having been surveyed by a Dominion Land Surveyor, and the hydraulic and topographic investigations of the engineers of the Dominion Water Power Branch, covering the Winnipeg river having been completed, the time has arrived for a complete settlement of all matters such as those dealt with in the said Order of 27th May, 1908. As a result of the completion of these surveys and investigations it has been ascertained that the lands which are now required by the city for permanent power development works, and the lands which will be flooded by the raising of the waters of the Winnipeg river, differ very materially both in extent and location from those described in the said schedule "A" and "B" accompanying the said Order in Council, dated 27th May, 1908. The lands which the city now requires to use and occupy in connection with its permanent power development works are fully set out in schedules "A", "B" and "C" hereto annexed, and the lands which it has been ascertained will be necessary to be flooded by the raising of the said waters are those hereinafter specified.

The Minister further points out that at the time the said Order in Council, dated the 27th of May, 1908, was passed, no regulations had been brought into force by the Governor in Council for the administration of water powers; and that such regulations were not given effect by the Governor general in Council until the 2nd day of June, 1909.

The Minister states that in arranging a settlement, consideration has been given to the above fact coupled with the further circumstance that the city had made a considerable portion of its investment for the development of power prior to the date of the passage of the said Order in Council and had completed a portion of its present installation before the said regulations became effective; therefore the conditions provided in the said regulations cannot, in the opinion of the Minister, be entirely adhered to in dealing with the city.

The Minister observes that a grant to the city of the lands as authorized by the said Order in Council of the 27th May 1908, may not now, however, be carried out, as the provisions of section 6, chapter 27, 4-5, George V., being an amendment to the Dominion Lands Act, provide that any lands upon which there is any water-power, or which border upon or being close to a water-power will be required or useful for the development and working of such water-power shall not be sold or conveyed in fee by the Crown, but may only

be leased under regulations made by the Governor in Council and that it is, therefore, necessary to enter into an entirely new arrangement with the city instead of carrying out the sale of lands which was authorized in the said Order in Council.

It is submitted that a lease should be executed granting the city the right to use and occupy the lands adjacent to the Winnipeg river upon which certain power development works have been constructed.

It is further submitted that authority should also be given the Minister to issue a license of occupation to the city for the water-covered lands on which a portion of its works are situated, and also to lease a small parcel of land at Eight Foot falls, situated below the city's plant, which may be required for the improvement of the channel of the river.

The said Order in Council of May 27th, 1908, also looked to the sale for flooding purposes of a large tract of land adjacent to the Winnipeg river. The Department of the Interior subsequent to the passage of the said Order in Council has carried on extensive topographical surveys in order to set out and ascertain the lands which will be actually required for the said flooding purposes. These surveys are shown on the official township plans, all areas adjacent to the river being taken to the 981.1 foot contour line, Water Power survey datum, which line limits the lands which will be flooded in connection with the operation of the city's power undertaking. The lands lying above the said contour line not being essential for the purposes of the city's water-power undertaking, and being now considered valuable for agricultural and other purposes, it is not considered in the public interest that they should be included within the grant to the city. Hence it is proposed to issue in favour of the city an authorization to raise the waters of the Winnipeg river above Point du Bois falls and to flood the said lands of His Majesty which lie below the said contour line.

The Minister submits that it is in the public interest that the administration of the lands and the waters that are valuable in respect of any water-power development should be co-ordinated, and that the instruments granting rights respecting the use of such lands and waters should be made as nearly as possible subject to the fulfilment by the licensee or lessee of the same terms and conditions, also that it is desirable that the said leases, license of occupation and authorization should refer to the water-license which it is now proposed to issue in favour of the city, and should be made dependent as nearly as possible upon the observance of all the terms and conditions of the said water-license.

The Minister therefore recommends,—

- (a) That he be authorized to issue to the city a license, hereinafter referred to as the water-license, for the diversion from the Winnipeg river and for use for power purposes at the said site such flow of water as may in the opinion of the Minister of the Interior be required to operate the city's present plant including the eight unit to concrete work of which has been completed but the machinery not yet installed, at its maximum capacity, such flow to be decided by the Minister; the city to pay for the diversion and use of the said water a yearly rental of one hundred dollars (\$100.00) and a further fee of fifty cents per horse-power-year for any output of power in any year in excess of 20,000 horse-power-years. The said water-license shall be for a term of 1911 renewable for a further term of twenty years and so on in perpetuity at the option of the city upon fulfilment by the city of all the terms and conditions which may be set forth in the said license. The said annual rental shall be subject to revision at the end of the first term and at the expiry of every ten years period thereafter. The said license shall also provide that in the event of any scheme for the control and the regulation of the flow of the waters of the Winnipeg river being undertaken by the Government of Canada or any person or authority acting for the said Government, or in the event of any work for the storage of water in order to augment the flow which is capable of being utilized by the licensee being so undertaken, that the

City shall conform to and comply with any order in respect of the said control, regulation or works which may be issued by the Minister or by any person authorized by the Minister to act in that behalf, and shall pay its proportionate share of the cost of construction, maintenance and operation of any such works, and shall also pay such rental for the addition flowage of water created by the said storage works and used by the licensee as the Minister may determine. Such license shall also provide that the licensee shall divert and use the waters authorized under the said license in such a manner as will not in the opinion of the Minister interfere with the maximum advantageous development of the power resources of the Winnipeg river. Such license shall further provide as did the said Order in Council of the 27th of May, 1908, for the control by the Government of Canada of the rates charged by the city for the use of power developed at the said site.

(b) That he be authorized to issue to the city a lease of certain lands not covered by water as described in schedule "A", being the lands adjacent to the power site, comprising 228.5 acres, for the purpose of constructing, maintaining and operating the city's works thereon, at a rental of twenty dollars (\$20.00) per annum payable in advance. The said lease shall be dated the first day of November, 1911, and shall be for a term of twenty years renewable in the same manner as the water license and shall be subject to the observance and fulfilment by the lessee of all the terms and conditions of the said water license and shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid as provided. Such rental shall, however, be subject to revision at the end of the first term of the lease and at the expiry of every ten year period thereafter.

(c) That he be authorized to issue to the city a license of occupation for certain water covered lands for the purpose of constructing, maintaining and operating the city's works thereon, the said water covered lands being those described in schedule "B" hereto annexed, at a rental of fifteen dollars (\$15.00) per annum payable in advance, such license of occupation to be for a term of twenty years beginning from the first day of November 1911 and to be renewable in the same manner as the said water license and to be subject to the observance and fulfilment by the licensee of all the terms and conditions of the said water license and such annual rental to be subject to revision at the expiry of every ten year period thereafter; and the said license shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid in advance.

(d) That he be authorized to issue to the city an authorization to raise the waters of the Winnipeg river above Pointe du Bois falls to the 981.1 foot contour line of the Dominion Water Power Survey which contour line is shown on the official plans of Townships 15 and 16, Ranges 14 and 15, east of the Principal Meridian, which plans are approved and confirmed by the Surveyor General; such authorization to be for a term of twenty years dated from the first day of November, 1911, at an annual fee of one hundred dollars (\$100.00) and renewable for a further term of twenty years in the same manner as the said water license and shall be subject to the observance and fulfilment by the lessee of all the terms and conditions of the said water license and shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid in advance, but the annual fee for the privilege of raising these waters shall be subject to revision at the expiration of the first term and at the end of every ten year period thereafter. Such authorization shall not, owing to the necessity of uninterrupted access to and from the river on the part of the homesteaders on the contiguous lands and for other reasons carry with it any interest in the lands which will be affected by the raising of these waters saving only the right to flood the same.

(e) That he be authorized to issue to the City a lease for a term of twenty years, dated from the first day of November, 1911, such lease to be renewable if the Minister considers that such renewal is in the public interest, at an annual rental of ten dollars (\$10) payable in advance, such rental to be subject to revision at the end of the first term and every ten years thereafter, of a parcel of land containing 8.3 acres at Eight Foot falls such lease to contain provision for cancellation if and when the license of the city for the diversion and use of the water as hereinbefore provided is cancelled or if the annual rental is not paid in advance, or if the land is required in connection with the canalization of the Winnipeg river or is required in connection with a power development at Eight Foot falls or Slave falls. This lease shall provide that plans for any improvement on the lands leased or for any construction of any kind thereon must be submitted to the Minister of the Interior for approval, and that no works thereon shall be commenced until such approval is given.

The Minister further recommends that he be authorized to insert such additional provisions in any of the aforesaid instruments of grant as may be deemed necessary to carry out the interest thereof or to safeguard the public interest.

The Committee concur in the foregoing recommendations and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a Report, dated 11th April, 1917, from the Minister of the Interior, submitting that James Wilson was granted homestead entry on 5th July, 1911, for the North East quarter of Section 35, Township 19, Range 11, West of the Principal Meridian in the Province of Manitoba.

The Minister states that it would appear from the evidence submitted that the entrant lived upon this quarter section from the 15th October, 1914, to the spring of 1915, and that he has erected a house and stable, and fenced the whole quarter section. He has also broken 17 acres and placed the same in crop.

Mr. Wilson has now furnished a medical certificate, copy attached, to the effect that he is totally unfit to perform further residence duties.

The Minister recommends,—in view of the Medical Certificate furnished,—that authority be given under sub-section 2 of Section 20 of the Dominion Lands Acts, to dispense with further residence duties and that free patent be issued to Mr. Wilson on proof being furnished in the ordinary way that the other duties have been completed.

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 26th March, 1917, from the Minister of the Interior, submitting that the Canadian Pacific Railway Company has made application for right-of-way for a pipe line for a water supply at Lytton, B.C., through part of the S. E. $\frac{1}{4}$ of Section 1, Township 15, Range 27, west of the Sixth Meridian, part of the S. W. $\frac{1}{4}$ Section 6, Township 15, Range 26, west of the Sixth Meridian and part of the N. W. $\frac{1}{4}$

Section 36, Township 14, Range 27, west of the Sixth Meridian, containing a total area of 1.65 acres, as shown on a plan attached.

The Minister states that the right-of-way throughout part of its length follows the Northeastly boundary of Lytton Indian Reserve No. 17, and at three points it crosses into and runs through the land included in the Reserve. The Department of Indian Affairs has undertaken to grant the Company a free right-of-way through this land.

The Minister further states that the agent of Dominion lands at Kamloops reported on the 21st June, 1916, that he is aware of no particular reason for refusing to entertain the application of the company, and he recommended that the area applied for be sold at the rate of \$10 per acre.

The Minister observes that the land applied for is available and has been surveyed. The company has filed with the Department of the Interior a certified copy of a grant of water rights at this point in its favour.

The Minister recommends that the Canadian Pacific Railway Company be allowed to purchase the above mentioned lands at \$10 per acre.

The Committee concur in the foregoing and submit the same for approval.

[1072]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th April, 1917, from the Minister of the Interior, submitting that Mr. T. Dennill was granted homestead entry for the south-east quarter of Section 2, Township 51, Range 4, west 5th Meridian, on the 29th August, 1907, and that he completed all the duties in connection therewith, as required by The Dominion Lands Act, to entitle him to letters patent. It was then found that 24.28 acres of this quarter section had already been patented to the Honourable G. B. Rouleau and Mr. Thomas Henderson, under a mining sale which also included the surface rights.

On the facts becoming known to the Department, Mr. Dennill was offered an equal area adjoining his homestead to the south, but he refused to entertain the proposition on the ground that the land was heavily wooded and was separated from his homestead by a road allowance. Mr. Dennill valued the 24.28 acres above referred to at \$10.00 per acre, which valuation was confirmed by a Homestead Inspector. Mr. Dennill finally agreed to accept, in lieu thereof, a free patent for Legal Subdivisions 9 and 16 of section 9, Township 51, range 3, west of the 5th Meridian. This land was valued by a Homesteader Inspector at \$3.00 per acre and is, therefore, of approximately the same value as the 24.28 acres withheld from the entry.

The granting of a free patent for the legal subdivisions referred to, would appear to interfere with the disposal of the balance of the northeast quarter of section 9, and with the northwest quarter of section 9 lying north and east of the river, and it was therefore decided to accede to Mr. Dennill's request, on condition that he purchase the balance of the northeast quarter of Section 9 and the fractional northwest quarter of Section 9 lying north and east of the river, in Township 51, Range 3, west of the 5th Meridian, containing an area of 64.1 acres, more or less, according to survey, at the Homestead Inspector's valuation thereof, being at the rate of \$3.00 per acre.

Mr. Dennill has stated his willingness to accept the settlement suggested by the Department of the Interior and has made payment in full for the 64.1 acres referred to.

The Minister therefore recommends, in view of the facts contained herein, and in accordance with the provisions of section 76, chapter 20, 7-8 Edward VII,

that Mr. Dennill be granted a free patent for Legal Subdivisions 9 and 16 of Section 9, Township 51, Range 3, west of the 5th Meridian in compensation for the 24.28 acres of his homestead which had been otherwise disposed of, and that patent also be issued to him for the land purchased by him, namely, legal subdivisions 10 and 15 and the fractional northwest quarter of Section 9 lying north and east of the Saskatchewan River in Township 51, Range 3, west of the 5th Meridian.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1898*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (a) The respondent's residence at the time of sending such notice.
- (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (c) The name and address of the solicitor, if any, acting for the respondent.
- (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 26 mars 1917, représentant que la Compagnie de chemin de fer Pacifique Canadien a demandé le droit de passage d'une conduite d'eau à Lytton, C.-B., traversant partie du quart sud-est de la section 1, township 15, rang 27, à l'ouest du 6e méridien, partie du quart sud-ouest de la section 6, township 15, rang 26, à l'ouest du 6e méridien, et partie du quart nord-ouest de la section 36, township 14, rang 27, à l'ouest du 6e méridien, comprenant une superficie totale de 1.65 acre, ainsi qu'indiqué sur le plan ci-annexé.

Le ministre ajoute qu'une partie de cette conduite d'eau suit la borne nord-est de la réserve indienne de Lytton (n° 17) et qu'en trois endroits elle traverse les terres de cette réserve. Le Département des Affaires des sauvages s'est engagé à accorder gratuitement à la compagnie le droit de passage sur ce terrain.

Le ministre ajoute que l'agent des terres fédérales à Kamloops a fait rapport le 21 juin 1916, qu'il n'a aucune raison particulière de refuser la demande de la compagnie, et il recommande que le terrain susdit soit vendu au prix de \$10 l'acre.

Le ministre déclare que le terrain demandé est disponible et a été arpenté. La compagnie a déposé au Département de l'Intérieur une copie certifiée d'un acte de cession en sa faveur des droits hydrauliques à cet endroit.

Le ministre recommande qu'il soit permis à la Compagnie de chemin de fer Pacifique Canadien d'acheter les terrains ci-dessus mentionnés au prix de \$10 l'acre.

Le comité agréé cette recommandation et la soumet pour approbation.

Mercredi, le 18e jour d'avril 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 avril 1917, représentant que la compagnie dite "Northern Fish Company, Limited," de Selkirk, Manitoba, a demandé la cession à bail, pour les fins d'une station de pêche, de la moitié nord d'une île située dans le lac Winnipeg, province du Manitoba, antérieurement connue sous le nom de Sandy Island ou Middle Sandy Island, et maintenant sous celui de Sandy Island.

Comme le terrain demandé est disponible d'après les archives du Département de l'Intérieur, le ministre demande l'autorisation en vertu des dispositions du chapitre 57 des Statuts Révisés du Canada, 1906, de louer cette île au requérant, pour les fins d'une station de pêche, pendant une période de dix ans, au loyer annuel de \$200 payable d'avance. Outre les conditions ordinaires dans les cas de ce genre, le bail contiendra une restriction qu'il ne cède le droit à l'usage exclusif du havre sur le côté ouest de l'île, qu'il peut être révoqué en tout temps après un an d'avis du ministre de l'Intérieur et que Sa Majesté se réserve tous les droits de pêche et d'occupation sur la dite île, ainsi qu'autour et dans le voisinage de cette île, et le droit d'accostage et d'amarrage des bateaux et des vaisseaux en tout point quelconque des rives de la dite île, et l'usage des dites rives en rapport avec les droits de pêche.

Le terrain demandé, qui peut être décrit plus minutieusement comme lot 2, groupe 273, île Sandy, dans le lac Winnipeg, province de Manitoba, contient 85 acres et est indiqué par des hachures noires sur le plan annexé.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 30 janvier 1914, a été autorisée la concession à la bande des sauvages de Keescekoowenin d'un terrain de 100 acres d'étendue dans le quart nord-ouest de la section 15, township 19, rang 20, à l'ouest du 1er méridien, dans la réserve forestière de Riding-Mountain, en échange pour certains terrains compris dans la réserve des sauvages n° 61A, qui sont affectés par les inondations, résultant de la construction d'une digue à l'embouchure du lac Clair, pour le développement de forces hydrauliques pour la ville de Minnedosa ;

Et attendu qu'il a été constaté que le terrain qui devait être concédé aux sauvages, ainsi que décrit dans le dit arrêté en conseil, ne comprend pas le terrain réellement requis par ces sauvages.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par ces présentes que le dit arrêté en conseil du 30 janvier 1914 soit rescindé en tant qu'il concerne la description du terrain qui doit être cédé aux sauvages, et que le terrain ci-dessous décrit, de l'étendue de 100 acres, soit concédé au lieu de l'autre :

"Toute la partie de la section 15 du township 19, rang 20, à l'ouest du 1er méridien, comprise dans les limites suivantes, savoir : commençant à un point sur la borne ouest de la dite section 15, éloigné de 16 chaînes dans une direction nord de l'angle sud-ouest de la section ; de là franc est astronomiquement 35 chaînes ; de là franc nord astronomiquement 34 chaînes ; de là franc ouest astronomiquement 16 chaînes ; de là franc sud astronomiquement 10 chaînes, plus ou moins, jus-

ATTENDU que par un arrêté en conseil du 11 septembre 1894, promulgué sous l'empire de l'article 9, chapitre 107 de la *Loi des falsifications*, 1886, certains types de qualité ont été établis pour le thé.

Et attendu qu'avant la publication de la circulaire officielle donnant effet au type modifié l'analyste en chef, à titre de président de la Commission consultative des substances alimentaires, a recommandé que la question reste en suspens afin de permettre une étude plus approfondie du sujet. Cette étude est maintenant complète, et il en résulte que d'autres modifications sont nécessaires.

Par conséquent, il plaît à Son Excellence en conseil de décréter par ces présentes que soient annulés les types de qualité du thé établis par l'arrêté en conseil du 11 avril 1916, et qu'en vertu des dispositions de l'article 26 de la *Loi des falsifications*, Statuts révisés de 1906, les types de qualité suivants leur soient substitués, savoir :

Le thé provient des feuilles et des bourgeons de diverses espèces de la tribu des caméliacées, préparés d'après les procédés ordinaires du commerce, et est conforme au nom qu'il porte quant à la variété et l'endroit de production. Le thé doit remplir les conditions suivantes :—

Caractères botaniques.—La structure de la feuille est celle de l'espèce camélia.

Cendre totale.—La teneur en cendre ne sera pas moins que quatre pour cent ni plus que sept pour cent du thé sec. (Thé sec signifie le thé séché au poids constant à 100°C.

Cendre soluble dans l'eau.—Ne sera pas moins que trois pour cent du poids du thé sec.

Extractif.—La matière soluble dans l'eau, dans les conditions ci-dessous décrites, ne sera pas moins que 33 pour 100 dans les thés verts, ni moins que 30 pour 100 dans les thés noirs ; ces pourcentages sont calculés sur les thés secs.

CONDITIONS POUR DÉTERMINER L'EXTRACTIF.

Un bon échantillon du thé sec est moulu assez fin pour passer à travers un sas dont les mailles ont un huitième de pouce.

2.5 grammes du thé moulu sont additionnés de 225cc d'eau froide distillée, dans une bouteille en verre d'une capacité d'environ 500cc et munie d'un bouchon et d'un tube en verre d'environ 25 pouces de longueur et $\frac{1}{2}$ pouce de diamètre, ou d'un condenseur à reflux. La bouteille est rapidement chauffée jusqu'à ce que l'eau soit en ébullition, et l'ébullition doit se continuer pendant une heure.

Tout le contenu est transvasé dans une bouteille d'une capacité de 250cc et amenée à point à environ 70°C. Après filtration à l'état chaud, 50cc est évaporé jusqu'à l'état sec, et pesé. Le poids du résidu multiplié par 200 est l'extractif pour cent.

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que le 5 juillet 1911 James Wilson obtint l'inscription de homestead du quart nord-est de la section 35, township 19, rang 11, à l'ouest du méridien principal, dans la province du Manitoba.

Le ministre déclare que les faits soumis indiqueraient que cet inscrit a résidé sur ce quart de section du 15 octobre 1914 jusqu'au printemps de 1915, et a clôturé tout le terrain, y a érigé une maison et une étable, et fait 17 acres de défoncement qu'il a ensemencés.

M. Wilson a présenté un certificat médical, dont copie ci-contre, établissant qu'il est tout à fait impropre à remplir ses obligations de résidence à venir ;

Vu la teneur de ce certificat, le Ministre recommande qu'on l'autorise, sous l'empire du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, à relever M. Wilson de ses obligations de résidence à venir, et que patente gratuite soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire qu'il a rempli ses autres obligations.

Le comité agréé cette recommandation et la soumet pour approbation.

A TTENDU que par un arrêté en conseil du 8 avril 1914, il a été accordé à la municipalité rurale de Lakeview n° 454, dans la province d'Alberta, des lettres patentes, en date du 28 juin 1915, pour huit acres de terrain compris dans le quart fractionnaire sud-ouest de la section 30, township 47, rang 11, à l'ouest du 4e méridien, pour les fins d'un cimetière.

Et attendu que ces huit acres de terrain n'ont pas été trouvés satisfaisants pour les fins d'un cimetière et que la dite municipalité rurale les a remis à la Couronne pour le Canada et a demandé en échange huit acres compris dans une lisière de terrain de 4 chaînes de largeur et de 20 chaînes et 8 chaînons de longueur le long de la borne sud du dit quart de section fractionnaire, mesuré à partir de l'angle sud-est.

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de sanctionner l'échange des terrains en question et d'autoriser la concession des dits huit acres maintenant demandés à la municipalité rurale de Lakeview n° 454, dans la province d'Alberta, pour les fins d'un cimetière.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉ-
RAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que M. D. Dennill a obtenu, le 29 août 1907, l'inscription de homestead pour le quart sud-est de la section 2, township 51, rang 4, à l'ouest du 5e méridien, et qu'il a accompli toutes les obligations prescrites par la *Loi des terres fédérales* pour lui donner droit à sa patente. On découvrit ensuite que 24.28 acres de ce quart de section avaient déjà été concédés à l'honorable G. B. Rouleau et M. Thomas Henderson dans une vente de terrains miniers qui comprenait aussi les droits de surface.

Dès que le département fut informé de ce fait, il offrit à M. Dennill une égale étendue de terrain voisine de son homestead au sud, mais il refusa de consentir à cette proposition parce que le terrain était densément boisé et était séparé de son homestead par une réserve de chemin.

M. Dennill évaluait les 24.28 acres susdits à \$10 l'acre, estimation qui a été confirmée par un inspecteur de homestead. M. Dennill consentit finalement à accepter, au lieu de ce terrain, la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien. Ce terrain fut évalué par un inspecteur de homestead à \$3 l'acre, et par conséquent, et à peu près la même valeur que les 24.28 acres soustraits de l'inscription.

En accordant la patente gratuite des subdivisions légales, ci-dessus mentionnées, on met obstacle à la vente du reste du quart nord-est de la section 9, ainsi que du quart nord-ouest de la section 9 au nord et à l'est de la rivière, et il a par conséquent été décidé de se rendre à la demande de M. Dennill, à condition qu'il achète le reste du quart nord-est de la section 9 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'est de la rivière, dans le township 51, rang 3, à l'ouest du 5e méridien, contenant 64.1 acres plus ou moins, conformément à l'arpentage, à l'évaluation faite par l'inspecteur des homesteads, soit au prix de \$3.00 l'acre.

M. Dennill a signifié son consentement à l'arrangement suggéré par le Département de l'Intérieur et a fait paiement complet des 64.1 acres susdits.

Par conséquent, en vue des faits précités, et conformément aux dispositions de l'article 76 du chapitre 20, 7-8 Edouard VII, que M. Dennill reçoive la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien, en compensation pour les 24.28 acres de son homestead qui avaient été autrement concédés, et que lui soit aussi accordée la patente du terrain qu'il a acheté, savoir, les subdivisions légales 10 et 15 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'ouest de la rivière Saskatchewan, dans le township 51, rang 3, à l'ouest du 5e méridien.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 avril 1917, représentant que le 7 juin 1915, M. Allan Edward McDonald a obtenu l'inscription de homestead pour le quart sud-ouest de la section 4, township 79, rang 5, à l'ouest du 6e méridien ;

Le Ministre ajoute qu'un certificat médical des docteurs Wm. Gibson et W. T. Connell, de Kingston, Ont., daté le 12 mars 1917, déclare que M. McDonald souffre de paralysie générale qui l'empêche de retourner à Spirit-River, Alta., pour continuer ses travaux sur son homestead à cet endroit ;

Un autre certificat médical du docteur Shaw, de Spirit-River, Alberta, daté le 10 janvier 1917, déclare que M. McDonald souffre de paranoïe ;

Une lettre de M. Roderick McDonald, le père de l'inscrit, datée le 31 mars 1917, assure le Département de l'Intérieur qu'au meilleur de sa connaissance son fils avait résidé huit mois sur le homestead et avait presque complété ses autres obligations. Il est vétéran de la guerre sud-africaine et a offert ses services au début de la guerre actuelle, mais a été refusé comme étant physiquement impropre au service. Les derniers travaux sur le homestead seront complétés cet automne.

En vue de ce qui précède, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, 1908, l'inscrit soit exempté de toute autre obligation de résidence afin que la patente du terrain puisse être émise dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies. M. McDonald est sujet britannique.

Le comité agréé cette recommandation et la soumet pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00
- (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00
- (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00
- (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00
- (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00
- (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00
- (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00
- (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00
- (i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1917, from the Minister of the Interior, stating that Mr Allan Edward McDonald obtained homestead entry for the south-west quarter of Section 4, Township 79, Range 5, west of the 6th Meridian, on the 7th June, 1915.

The Minister further states that a Medical Certificate furnished by Doctors Wm Gibson and W. T. Connell of Kingston, Ontario, dated 12th March, 1917, sets out that Mr. McDonald is suffering from general paresis, a condition that will prevent his return to Spirit River, Alberta, to undertake the further occupation and development of his homestead situated at that place.

Another Medical certificate furnished by Doctor Shaw of Spirit River, Alberta, dated 10th January, 1917, sets out that Mr. McDonald is suffering from Paranoia.

A letter from Mr. Roderick McDonald, the entrant's father, dated 31st March, 1917, assures the Department of the Interior that his son had, to the best of his knowledge, resided on the homestead for eight months and had nearly completed the other duties. He is a Veteran of the South African War and volunteered for service at the outbreak of the present war but was rejected as medically unfit. The necessary work will be completed on the homestead this fall.

The Minister recommends, in view of the foregoing, that, under the provisions of subsection 2 of Section 20, of The Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to him upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled. Mr. McDonald is a British subject.

The Committee, concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[1066]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of April, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated the 16th April, 1917, from the Minister of the Interior referring to the Order in Council, dated 27th May, 1908, concerning the application of the City of Winnipeg for certain rights in connection with the development of water-power at the site known as Pointe du Bois Falls on the Winnipeg river in the Province of Manitoba, which Order in Council authorized the Minister of the Interior to issue in favour of the city a lease looking to the sale to the city of certain lands which are set out in schedules "A" and "B" of the said order, upon fulfillment by the city of the terms of the said lease; also, to sell to the city on fulfillment by the city of the terms of the said lease, at the sum of ten dollars per acre, certain lands, for power site purposes, as described in schedule "A" of the said order; further, to sell to the city at one dollar per acre certain additional areas for flooding purposes in connection with the said power development as described in schedule "B" of the said order; and further, to issue in favour of the city, in connection with the said lease, a license for the use and diversion of certain of the waters of the Winnipeg river; the said license to be subject to the payment of such rental as the Governor in Council might fix, and also subject to certain other conditions which the Governor in Council might consider proper in the public interest.

The Minister reports that the lands affected by this power project, having been surveyed by a Dominion Land Surveyor, and the hydraulic and topographic investigations of the engineers of the Dominion Water Power Branch, covering the Winnipeg river having been completed, the time has arrived for a complete settlement of all matters such as those dealt with in the said Order of 27th May, 1908. As a result of the completion of these surveys and investigations it has been ascertained that the lands which are now required by the city for permanent power development works, and the lands which will be flooded by the raising of the waters of the Winnipeg river, differ very materially both in extent and location from those described in the said schedule "A" and "B" accompanying the said Order in Council, dated 27th May, 1908. The lands which the city now requires to use and occupy in connection with its permanent power development works are fully set out in schedules "A", "B" and "C" hereto annexed, and the lands which it has been ascertained will be necessary to be flooded by the raising of the said waters are those hereinafter specified.

The Minister further points out that at the time the said Order in Council, dated the 27th of May, 1908, was passed, no regulations had been brought into force by the Governor in Council for the administration of water powers; and that such regulations were not given effect by the Governor general in Council until the 2nd day of June, 1909.

The Minister states that in arranging a settlement, consideration has been given to the above fact coupled with the further circumstance that the city had made a considerable portion of its investment for the development of power prior to the date of the passage of the said Order in Council and had completed a portion of its present installation before the said regulations became effective; therefore the conditions provided in the said regulations cannot, in the opinion of the Minister, be entirely adhered to in dealing with the city.

The Minister observes that a grant to the city of the lands as authorized by the said Order in Council of the 27th May 1908, may not now, however, be carried out, as the provisions of section 6, chapter 27, 4-5, George V., being an amendment to the Dominion Lands Act, provide that any lands upon which there is any water-power, or which border upon or being close to a water-power will be required or useful for the development and working of such water-power shall not be sold or conveyed in fee by the Crown, but may only

be leased under regulations made by the Governor in Council and that it is, therefore, necessary to enter into an entirely new arrangement with the city instead of carrying out the sale of lands which was authorized in the said Order in Council.

It is submitted that a lease should be executed granting the city the right to use and occupy the lands adjacent to the Winnipeg river upon which certain power development works have been constructed.

It is further submitted that authority should also be given the Minister to issue a license of occupation to the city for the water-covered lands on which a portion of its works are situated, and also to lease a small parcel of land at Eight Foot falls, situated below the city's plant, which may be required for the improvement of the channel of the river.

The said Order in Council of May 27th, 1908, also looked to the sale for flooding purposes of a large tract of land adjacent to the Winnipeg river. The Department of the Interior subsequent to the passage of the said Order in Council has carried on extensive topographical surveys in order to set out and ascertain the lands which will be actually required for the said flooding purposes. These surveys are shown on the official township plans, all areas adjacent to the river being taken to the 981.1 foot contour line, Water Power survey datum, which line limits the lands which will be flooded in connection with the operation of the city's power undertaking. The lands lying above the said contour line not being essential for the purposes of the city's water-power undertaking, and being now considered valuable for agricultural and other purposes, it is not considered in the public interest that they should be included within the grant to the city. Hence it is proposed to issue in favour of the city an authorization to raise the waters of the Winnipeg river above Point du Bois falls and to flood the said lands of His Majesty which lie below the said contour line.

The Minister submits that it is in the public interest that the administration of the lands and the waters that are valuable in respect of any water-power development should be co-ordinated, and that the instruments granting rights respecting the use of such lands and waters should be made as nearly as possible subject to the fulfilment by the licensee or lessee of the same terms and conditions, also that it is desirable that the said leases, license of occupation and authorization should refer to the water-license which it is now proposed to issue in favour of the city, and should be made dependent as nearly as possible upon the observance of all the terms and conditions of the said water-license.

The Minister therefore recommends,—

- (a) That he be authorized to issue to the city a license, hereinafter referred to as the water-license, for the diversion from the Winnipeg river and for use for power purposes at the said site such flow of water as may in the opinion of the Minister of the Interior be required to operate the city's present plant including the eight unit to concrete work of which has been completed but the machinery not yet installed, at its maximum capacity, such flow to be decided by the Minister; the city to pay for the diversion and use of the said water a yearly rental of one hundred dollars (\$100.00) and a further fee of fifty cents per horse-power-year for any output of power in any year in excess of 20,000 horse-power-years. The said water-license shall be for a term of 1911 renewable for a further term of twenty years and so on in perpetuity at the option of the city upon fulfilment by the city of all the terms and conditions which may be set forth in the said license. The said annual rental shall be subject to revision at the end of the first term and at the expiry of every ten years period thereafter. The said license shall also provide that in the event of any scheme for the control and the regulation of the flow of the waters of the Winnipeg river being undertaken by the Government of Canada or any person or authority acting for the said Government, or in the event of any work for the storage of water in order to augment the flow which is capable of being utilized by the licensee being so undertaken, that the

City shall conform to and comply with any order in respect of the said control, regulation or works which may be issued by the Minister or by any person authorized by the Minister to act in that behalf, and shall pay its proportionate share of the cost of construction, maintenance and operation of any such works, and shall also pay such rental for the addition flowage of water created by the said storage works and used by the licensee as the Minister may determine. Such license shall also provide that the licensee shall divert and use the waters authorized under the said license in such a manner as will not in the opinion of the Minister interfere with the maximum advantageous development of the power resources of the Winnipeg river. Such license shall further provide as did the said Order in Council of the 27th of May, 1908, for the control by the Government of Canada of the rates charged by the city for the use of power developed at the said site.

(b) That he be authorized to issue to the city a lease of certain lands not covered by water as described in schedule "A", being the lands adjacent to the power site, comprising 228.5 acres, for the purpose of constructing, maintaining and operating the city's works thereon, at a rental of twenty dollars (\$20.00) per annum payable in advance. The said lease shall be dated the first day of November, 1911, and shall be for a term of twenty years renewable in the same manner as the water license and shall be subject to the observance and fulfilment by the lessee of all the terms and conditions of the said water license and shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid as provided. Such rental shall, however, be subject to revision at the end of the first term of the lease and at the expiry of every ten year period thereafter.

(c) That he be authorized to issue to the city a license of occupation for certain water covered lands for the purpose of constructing, maintaining and operating the city's works thereon, the said water covered lands being those described in schedule "B" hereto annexed, at a rental of fifteen dollars (\$15.00) per annum payable in advance, such license of occupation to be for a term of twenty years beginning from the first day of November 1911 and to be renewable in the same manner as the said water license and to be subject to the observance and fulfilment by the licensee of all the terms and conditions of the said water license and such annual rental to be subject to revision at the expiry of every ten year period thereafter; and the said license shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid in advance.

(d) That he be authorized to issue to the city an authorization to raise the waters of the Winnipeg river above Pointe du Bois falls to the 981.1 foot contour line of the Dominion Water Power Survey which contour line is shown on the official plans of Townships 15 and 16, Ranges 14 and 15, east of the Principal Meridian, which plans are approved and confirmed by the Surveyor General; such authorization to be for a term of twenty years dated from the first day of November, 1911, at an annual fee of one hundred dollars (\$100.00) and renewable for a further term of twenty years in the same manner as the said water license and shall be subject to the observance and fulfilment by the lessee of all the terms and conditions of the said water license and shall be subject to cancellation if and when the said water license is cancelled or if the amount of the rental is not paid in advance, but the annual fee for the privilege of raising these waters shall be subject to revision at the expiration of the first term and at the end of every ten year period thereafter. Such authorization shall not, owing to the necessity of uninterrupted access to and from the river on the part of the homesteaders on the contiguous lands and for other reasons carry with it any interest in the lands which will be affected by the raising of these waters saving only the right to flood the same.

This lease shall provide that plans for any improvement on the lands leased or for any construction of any kind thereon must be submitted to the Minister of the Interior for approval, and that no works thereon shall be commenced until such approval is given.

The Minister further recommends that he be authorized to insert such additional provisions in any of the aforesaid instruments of grant as may be deemed necessary to carry out the interest thereof or to safeguard the public interest.

THE Committee of the Privy Council have had before them a Report, dated 11th April, 1917, from the Minister of the Interior, submitting that James Wilson was granted homestead entry on 5th July, 1911, for the North East quarter of Section 35, Township 19, Range 11, West of the Principal Meridian in the Province of Manitoba.

The Minister states that it would appear from the evidence submitted that the entrant lived upon this quarter section from the 15th October, 1914, to the spring of 1915, and that he has erected a house and stable, and fenced the whole quarter section. He has also broken 17 acres and placed the same in crop.

Mr. Wilson has now furnished a medical certificate, copy attached, to the effect that he is totally unfit to perform further residence duties.

The Minister recommends,—in view of the Medical Certificate furnished,—that authority be given under sub-section 2 of Section 20 of the Dominion Lands Acts, to dispense with further residence duties and that free patent be issued to Mr. Wilson on proof being furnished in the ordinary way that the other duties have been completed.

The Committee concur in the foregoing and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of April, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th April, 1917, from the Minister of the Interior, submitting that Mr. T. Dennill was granted homestead entry for the south-east quarter of Section 2, Township 51, Range 4, west 5th Meridian, on the 29th August, 1907, and that he completed all the duties in connection therewith, as required by The Dominion Lands Act, to entitle him to letters patent. It was then found that 24.28 acres of this quarter section had already been patented to the Honourable G. B. Rouleau and Mr. Thomas Henderson, under a mining sale which also included the surface rights.

On the facts becoming known to the Department, Mr. Dennill was offered an equal area adjoining his homestead to the south, but he refused to entertain the proposition on the ground that the land was heavily wooded and was separated from his homestead by a road allowance. Mr. Dennill valued the 24.28 acres above referred to at \$10.00 per acre, which valuation was confirmed by a Homestead Inspector. Mr. Dennill

finally agreed to accept, in lieu thereof, a free patent for Legal Subdivisions 9 and 16 of section 9, Township 51, range 3, west of the 5th Meridian. This land was valued by a Homesteader Inspector at \$3.00 per acre and is, therefore, of approximately the same value as the 24.28 acres withheld from the entry.

The granting of a free patent for the legal subdivisions referred to, would appear to interfere with the disposal of the balance of the northeast quarter of section 9, and with the northwest quarter of section 9 lying north and east of the river, and it was therefore decided to accede to Mr. Dennill's request, on condition that he purchase the balance of the northeast quarter of Section 9 and the fractional northwest quarter of Section 9 lying north and east of the river, in Township 51, Range 3, west of the 5th Meridian, containing an area of 64.1 acres, more or less, according to survey, at the Homestead Inspector's valuation thereof, being at the rate of \$3.00 per acre.

Mr. Dennill has stated his willingness to accept the settlement suggested by the Department of the Interior and has made payment in full for the 64.1 acres referred to.

The Minister therefore recommends, in view of the facts contained herein, and in accordance with the provisions of section 76, chapter 20, 7-8 Edward VII, that Mr. Dennill be granted a free patent for Legal Subdivisions 9 and 16 of Section 9, Township 51, Range 3, west of the 5th Meridian in compensation for the 24.28 acres of his homestead which had been otherwise disposed of, and that patent also be issued to him for the land purchased by him, namely, legal subdivisions 10 and 15 and the fractional northwest quarter of Section 9 lying north and east of the Saskatchewan River in Township 51, Range 3, west of the 5th Meridian.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

WHEREAS it is provided by section 25, and by other sections of the Dominion Lands Act, chapter 20, 7-8 Edward VII, that letters patent for Dominion Lands shall not issue to any person who is not a British subject by birth or by naturalization ; and

Whereas one Henri Phalempin, who was born in France, made homestead entry for the southwest $\frac{1}{4}$ of section 5, township 37, range 1, west of the 3rd Meridian on the 31st July, 1912, and the said entrant, who was a French reservist, rejoined his regiment immediately upon the commencement of the present war ; and

Whereas Mr. Phalempin made the usual application for the issue of letters patent for his homestead, on the 2nd November, 1916, and it appears from the evidence accompanying that application that he has fully complied with all the conditions of the homestead entry he made under the provisions in that behalf contained in The Dominion Lands Act, except the condition respecting his naturalization as a British subject, because of which the preparation of the letters patent for his homestead has been delayed ; and

Whereas, if Mr. Phalempin is called upon to comply with the provisions of The Naturalization Act, it will cause delay which is considered unnecessary under the circumstances of this case ; and

Whereas it may be impossible for any alien homesteader, or other entrant for Dominion Lands, who is on active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, to comply with the above mentioned condition of his entry until he has been released from such service ; and

Whereas it will be a hardship upon any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act, who is placed as Mr. Phalempin is, to be compelled to comply with the provisions before referred to, as it is considered that active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, is sufficient of itself to satisfy the purpose and intention of the provisions of the Dominion Lands Act in that respect,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the

Interior and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make the following Regulation and the same is hereby made and enacted accordingly:—

When any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act is on active service as a member of His Majesty's naval or military forces, or of the naval or military forces of any of His Majesty's allies in the present war, the provisions of the Dominion Lands Act forbidding the issue of letters patent to any person who is not a British subject by birth or naturalization shall not apply to such homesteader or entrant, and the letters patent for the lands may issue to him notwithstanding that such homesteader or entrant is not a British subject.
